PICKLEBALL CANADA - A GAME FOR ALL : UN SPORT POUR TOUS
PICKLE BALL

Goods (Nice class & Statement)

(1) Pickleball Canada is a group of people trying to promote the sport of Pickleball. Pickleball is a sport like tennis that uses a hard plastic ball, solid faced paddles and slightly different rules. My clients would like to trademark this title and slogan so that they can build a brand around which enthusiasts of the sport may come to trust. Pickleball Canada strives to be the foremost source of information on the sport, tournaments and rules for the sport in Canada. A national organization that will help define and promote the sport in Canada. Although I believe the title has been used for some time, the first official use that I am aware of happened on March 23, 2009 when I purchased the domain www.pickleballcanada.org at the request of my client.
