Trademark description

The subject mark is two-dimensional. The mark consists of the human hand with the index finger on the hand being raised in a pointed way, with that index finger appearing to be applied to/close to that person's lips, and with a wedding band appearing on the fourth finger (namely the finger immediately next to the baby finger). The configuration of the human face upon which the mark appears (including the nose, the lips, the neck and the upper part of the shoulders) is depicted in broken lines for the purposes of showing the position of the mark as it would appear in front of the face and is not part of the mark.
