**Claims**

Priority Filing Date: July 23, 2012, Country

(1) Installation, maintenance and repair of cranes, hoists, installations, apparatus and equipment for material handling technology namely, electronically, pneumatically, hydraulically and hand-operated hoists, crane trolleys, shunting trolleys, gradient trolleys, gear trolleys, cranes (lifting apparatus), and crane installations consisting of the aforesaid goods, winches, in particular lifting winches, draw winches and wire cable winches, compressed air engines, compressed air gear motors, pneumatic and

or Office: hydraulic controls for the aforementioned goods, cable  
GERMANY, controls and lever controls being parts for the aforesaid  
Application goods; rebuilding machines and motors that have been  
No. 30 2012 worn or partially destroyed for cranes and installations for  
006 329.2 in material handling technology, namely, electrically,  
association pneumatically, hydraulically and hand-operated hoists,  
with the same crane trolleys, shunting trolleys, gradient trolleys, gear  
kind of goods trolleys, cranes (lifting apparatus), and crane installations  
and in consisting of the aforesaid goods, winches, in particular  
association lifting winches, draw winches and wire cable winches,  
with the same compressed air engines, compressed air gear motors,  
kind of pneumatic and hydraulic controls for the aforementioned  
services goods, cable controls and lever controls being parts of the  
Used in aforesaid goods; rental of cranes, hoists, installations,  
GERMANY apparatus and equipment for material handling  
Registered in technology, namely, electrically, pneumatically,  
or for hydraulically and hand-operated hoists, crane trolleys,  
GERMANY shunting trolleys, gear trolleys, cranes (lifting apparatus),  
on September and crane installations consisting of the aforesaid goods,  
26, 2012, winches, in particular lifting winches, compressed air  
under No. 30 engines, compressed air gear motors, pneumatic and  
2012 006 329 hydraulic controls for the aforementioned goods, cable  
controls and lever controls being parts for the aforesaid  
goods; industrial analysis and research services in the  
field of cranes, hoists and crane installations; construction  
drafting; surveying services in the field of cranes, hoists  
and crane installations; technical project studies; technical  
consultancy in the field of cranes, hoists and crane  
installations, material testing; function testing in the field of  
cranes, hoists and crane installations; product testing;  
rental of test weights for crane installations; environmental  
testing and inspection services; testing services for the  
certification of quality and standards in the field of cranes,  
hoists, and material handling technology relating to crane  
installations.
