Index headings

DE-FLUORO

Goods (Nice class & Statement)

- | | |
|----|---|
| 1 | (1) Industrial chemicals for use in environmental decontamination and remediation |
| 9 | (2) Electrochemical instruments for measuring environmental parameters, namely, water quality, chemical composition of water, the presence and concentration of chemicals in water, the presence and concentration of substances in water, the presence and concentration of PFAS in water, the potability of water, time and location |
| 11 | (3) Environmental control apparatus in the nature of a treatment system comprised primarily of particle activators, water filtration units, drainage water treatment tanks, and water treatment units for aerating and circulating water for use in soil and groundwater remediation, drinking water treatment, municipal and industrial wastewater treatment |
| 19 | (4) Environmental control apparatus, namely, treatment system primarily comprised of water treatment equipment in the nature of non-metal water storage basins for collecting and storing water for use in soil and groundwater remediation, drinking water treatment, municipal and industrial wastewater treatment |

Services (Nice class & Statement)

- | | |
|----|---|
| 40 | (1) Environmental decontamination and remediation services, namely, decontamination of hazardous materials, treatment of waste and water to reclaim usable materials, treatment of water to remove harmful materials, treatment of water to remove synthetic chemicals, treatment of water to remove PFAS, water filtration services, water purification, and water recycling; waste treatment services, namely treatment of chemical waste, waste water, and radioactive waste |
| 42 | (2) Environmental testing services to detect contaminants in water; environmental testing services to detect synthetic chemicals in water; environmental testing services to detect harmful substances in water; environmental testing services to detect PFAS in water; Engineering services in the field of environmental compliance |

Claims

Priority Filing Date: October 19, 2021, Country or Office: UNITED STATES OF AMERICA, Application No. 97082066 in association with the same kind of goods and in association with the same kind of services
