Goods (Nice class & Statement)

- 17 (1) Insulation and barrier articles and materials, namely, mineral wool for insulation, foam insulation materials for use in building and construction, insulating slabs and insulating sheathing; thermal insulation; thermal insulating boards; acoustic insulation articles and materials; acoustical insulation barrier panels; thermal insulation and fire protection materials being fire resistant composite panels made of glass fibers; fire-resistant insulated panels; waterproofing and moisture proofing articles and materials, namely, mineral wool and foam insulation for use in building and construction; waterproofing and moisture proofing insulated panels made of mineral wool; waterproofing and moisture proofing insulated panels made of foam insulation materials for use in building and construction; insulated panels made of fiber cement; insulating fibre cement boards; insulating waterproofing membranes; insulating coatings, namely, insulating film, insulating paints, insulating plasters, insulating refractory materials; insulating paints; insulating paints for sealing purposes; adhesive tapes, strips, bands and films for use in building and construction; insulating tapes; adhesive seals, sealants and fillers for use in building and construction; jointing compounds, namely, mastics for sealing joints, caulking and sealants; adhesive sealant compounds; adhesive joint tapes for plasterboards.
- 19 (2) Building and construction materials, not of metal, namely, building timber, gypsum for use as building materials, fiberboards, drywall, fiber cement, and cement partitions for buildings; building and construction materials made of sand, building stone, artificial stone, synthetic rock, rocky crystals, clay, non-metallic minerals, fibre-cement, cement and concrete; cement slabs; non-metal claddings for roofs, facades and walls, particularly tiles, slates, weatherboards, concrete panels, fiberglass panels, drywall panels, glass panels, plastic composite panels, wood panels; non-metal building construction materials namely, roof, façade, wall and floor coverings and their parts and fittings, namely, weatherboards and paving slabs; cladding panels, weatherboards, sheets, slates and tiles, not of metal; paving slabs, not of metal; paving materials, not of metal, namely, non-metallic paving tiles and paving slabs; decking, not of metal, namely, hardwood decking, softwood decking boards, modular plastic decking; prefabricated houses [kits], not of metal.

Services (Nice class & Statement)

- 40 (1) Custom manufacture and assembly services in relation

to building materials, namely, custom manufacturing of panelling systems for buildings; printing of patterns and customized graphics on cladding panels, boards, sheets, slates and tiles; pattern printing of floor coverings; pattern printing of wall coverings.
