Goods (Nice class & Statement)

- | | |
|---|--|
| 4 | (1) Lubricant; Additives, non-chemical, to motor fuel; grease for motors |
| 7 | (2) Marine engines and components thereof; electronic control modules sold as an integrated component of marine engines; Rebuilt parts for internal combustion engines and driveline accessories therefor; transmissions for machines; Electric motor (except for land vehicles); gasoline engine (except for land vehicles); machine tools; motors and engines (except for land vehicles); Rebuilt diesel engines other than for vehicles; Machine coupling and transmission components (except for land vehicles); Ignition devices for internal combustion engines; gasoline engines (other than for land vehicles); Machines and machine tools; motors (except for vehicles); electric alternators; electric motors included in this class; hydraulic motors included in this class; hydraulic pumps included in this class; gears, gear boxes, clutches, power transmission mechanisms, brake mechanisms, boat propulsion transmission systems, all included in this class, and parts of all the aforementioned goods included in this associated parts included in this class; Electricity generators for both AC and DC generation and alternators for both AC and DC generation; spares for electricity generators; automatic voltage regulators; manual voltage regulators; alternator protection modules; Dynamos; motors and engines; generators; electric alternators; belting; couplings for use in engines, motors and generators and not for use with pipes; radiators for land vehicles; parts and fittings for all the aforesaid goods; Oil filters; oil, gasoline, diesel fuel and air filters for motors and engines and filter media for the foregoing, namely, filter elements for fuel filters and polymeric fiber filter elements for fuel filters; Generators; generator sets; power systems, being generators; power systems equipment, namely, generators, alternators, and engines; Fuel cell power generators; Hydrogen and fuel cell power generation system; Hydrogen and fuel cell power generation subsystem; integrated fuel cell power generating systems and subsystems comprising of fuel cell stacks, valves, pumps, compressors, pressure regulators, sensors, electronic controls, hydrocarbon reformers, and fluid and heat transfer piping; components for hydrogen and fuel cell power generation systems and their sub-systems; automobile-grid connected fuel cell power generation system; components for automobile-grid-connected fuel cell power generation system and its sub-systems |
| 8 | (3) Tools in this class and parts for tools in this class; hand implements in this class and parts thereof in this class |

- 12 (4) Engines for land vehicles other than all-terrain vehicles (ATVs) and components thereof; electronic control modules sold as an integrated component of engines for land vehicles other than all-terrain vehicles (ATVs); Fuel systems being parts of internal combustion engines (for land vehicles); Rebuilt internal combustion engines (for vehicles) and parts
- 16 (5) Decorative decals for vehicles; pens; plastic bags for packing; desktop business card holders; blank journals; note pads; note paper; presentation folders; manuals and brochures in the fields of operation and maintenance of engines, power generators, and alternators; catalogs in the field of replacement parts for engines, power generators, and alternators; none of the aforementioned being gift bags
- 25 (6) Men's and women's clothing, namely, sweatshirts, hooded sweatshirts, aprons, shirts, jackets, baseball caps and hats, ski caps, fleece caps, gloves, headbands, scarves, quilted vests, and coveralls; t-shirts for toddlers and children

Services (Nice class & Statement)

- 35 (1) Retailing of new and used power generation equipment; Retail and wholesale services relating to alternators, generators, motors, engines, power regulating and controlling apparatus, automatic voltage regulators (AVRs), control panels, regulators, and parts and fittings for the aforesaid goods
- 37 (2) Installation and maintenance of hydrogen fuel cells for vehicles; installing, servicing and repairing of fuel cell systems and hydrogen generators; building systems for the generation of alternative energy; operation of hydrogen refueling stations and related services, namely maintenance and installation of hydrogen refueling stations; hydrogen dispensing services; hydrogen fueling services; Engine and engine assembly rebuild services; installation, maintenance and repair of computer hardware; installation and repair of electrical appliances
- 38 (3) Vehicle telematic services in the nature of providing information concerning engine and vehicle information for performing and monitoring engine diagnostics, fault alerts, testing, remote data management and communications, and fleet management assistance
- 41 (4) Educational services, including, providing training on engines, components, and service tools
- 42 (5) Software as a service for accessing, inputting, and managing information for diagnostics, control, maintenance, operation and service of engines; provision of information in relation to the aforementioned services; Automotive engine diagnostic services
