**Colour claim**

Colour is claimed as a feature of the trademark. The mark consists of a stylized design of partially open lips with visible upper teeth, illustrated using a multicolored geometric gradient. The top lip features a blend of red, magenta, purple, and violet hues, while the bottom lip transitions through orange, yellow, green, teal, and blue tones. The color segments are arranged in smooth, curved layers that create a glossy, dimensional effect. Beneath the lips appears the literal element "MOANR.APP" in black, uppercase, sans-serif lettering, following a slight arched upward curve that aligns with the shape of the lower lip. The design is set against a white background.
