Vienna information (Code & Description)

25.5.3	Backgrounds divided into two, diagonally
26.3.1	One triangle
A 26.3.5	Triangles pointing downwards
A 26.3.7	Triangular figures with one or more truncated or rounded angles
26.3.12	Triangles containing one or more other geometrical figures -- Note: Including triangles containing bent or straight lines.
26.3.23	Lines or bands forming an angle -- Note: Including chevrons and arrowheads formed by lines or bands.
A 26.3.24	Triangles with dark surfaces or parts of surfaces
A 26.3.26	Triangles with cutout areas
26.11.2	Two lines or bands
A 26.11.9	Oblique lines or bands
A 26.11.10	Straight lines or bands
A 26.11.13	Wavy lines or bands, zigzag lines or bands

Goods (Nice class & Statement)

1	(1) Lighting fixtures; electric fans for household purposes; ceiling fans; light bulbs; equipment for animal and poultry husbandry namely lights and lighting fixtures for housings for livestock and poultry; replacement parts for all of the aforementioned products
6	(2) Metal chimneys for animal and poultry husbandry; metal ventilation panels for animal and poultry husbandry
7	(3) Livestock feeding products, namely feeders and livestock waterers
9	(4) Equipment for animal and poultry husbandry, namely, automated sow and gilt systems and devices, namely computer software and electronic hardware for the administration, operation, monitoring, recording and management of sow and gilts and data related to vaccines, medication, insemination, disease detection, health status, animal maintenance functions, ultrasound scans, feed intake and animal movement; equipment for animal and poultry husbandry, namely, computer software for data storage and processing relating to animal husbandry and for controlling the operation of feeders, stalls, lights, heat lamps, and gates for animal husbandry; equipment for animal and poultry husbandry, namely, computer hardware; equipment for animal and poultry husbandry, namely, electronic control systems for controlling the operation of feeders, stalls, lights, heat lamps, and gates for animal husbandry; replacement parts for all of the aforementioned products
11	(5) Ventilation products; powered ventilation products;

electric fans; ventilators, radiant electric heaters, electric refrigerators, stoves; environmental control apparatus for cooling, namely, irrigation sprinklers for cooling animals; environmental control apparatus for cooling, namely, cooling coils; ceiling fans and ceiling fan accessories; lighting namely pendants, table lamps, floor lamps, sconces, outdoor lighting, cast aluminum outdoor lanterns, flush mounts, chandeliers, track lighting, clip lights, wall lights, electric lighting fixtures; ventilation equipment, namely fans, inlets, controls and accessories for such fixtures; ventilation equipment, namely fans, inlets, controls and accessories for such fixtures, all of the foregoing for use in animal and poultry husbandry; lights for attaching to ceiling fans; agricultural products, namely heat lamps and fans namely, desk fans, fans which can be mounted to furniture, standing fans, kitchen fans; fittings, accessories and replacement parts for fans of all types; lights for attaching to ceiling fans; fan hoods, fan shutters, fan back guards and fan front guards; detachable wall lights; fittings, accessories and replacement parts for lights and light fixtures; ceramic heaters; halogen floor lamps, space heaters, halogen track lighting and industrial ceiling fans; barn, commercial and greenhouse ventilation products, namely roof exhausts, wall exhausts, circulating fans, blower fans, electronic environment (airflow, temperature, humidity) controllers; equipment for animal and poultry husbandry, namely, high-volume low-speed (HVLS) fans, air inlets; replacement parts for all of the aforementioned products, tunnel ventilation systems comprised of industrial grade fans; Ceiling fans and ceiling fan accessories; lighting namely pendants, table lamps, floor lamps, sconces, outdoor lighting, cast aluminum outdoor lanterns, flush mounts, chandeliers, track lighting, clip lights, wall lights, electric lighting fixtures; ventilation equipment, namely fans, inlets, controls and accessories for such fixtures; lights for attaching to ceiling fans; agricultural products, namely heat lamps and fans namely, desk fans, fans which can be mounted to furniture, standing fans, kitchen fans; fittings, accessories and replacement parts for fans of all types; lights for attaching to ceiling fans; fan hoods, fan shutters, fan back guards and fan front guards; detachable wall lights; fittings, accessories and replacement parts for lights and light fixtures; ceramic heaters; halogen floor lamps, space heaters, halogen track lighting and industrial ceiling fans; barn, commercial and greenhouse ventilation products, namely roof exhausts, wall exhausts, circulating fans, blower fans, electronic environment (airflow, temperature, humidity) controllers; equipment for animal and poultry husbandry, namely, fans, ventilation systems and controllers for fans and ventilation systems for housings for livestock and poultry; equipment for animal and poultry husbandry and spare and replacements parts therefore, namely, heat lamps for housings for livestock and poultry; replacement parts for all of the aforementioned products (6) Livestock stabling, management products, namely tie stalls, free stalls, gates, penning panels, livestock housing equipment, namely calf pens for barns; ventilation equipment, namely shutters, controls and accessories for

	such fixtures; fan shutters; chimneys, not of metal, for animal and poultry husbandry; non-metal ventilation panels for animal and poultry husbandry
21	(7) Equipment for animal and poultry husbandry, namely, feeders, stalls, pens and enclosures for livestock and poultry; equipment for animal and poultry husbandry, namely, stalls, pens and enclosures and parts therefor for gestating, birthing and housing of livestock: equipment for animal and poultry husbandry, namely, feed fronts for livestock, gates for livestock stalls, pens and enclosures; equipment for animal and poultry husbandry, namely, enclosures for hatching and housing of poultry; equipment for animal and poultry husbandry, namely, flooring for animal stalls and pens, stalls, pens and enclosures for providing feed, water, bedding, access and vaccinations to livestock and poultry; equipment for animal and poultry husbandry, namely, stalls, pens and enclosures to sort livestock and poultry and to provide enrichment, activities and stimulation to livestock and poultry; equipment for animal and poultry husbandry, namely, flooring for feeders, stalls, pens and enclosures for livestock and poultry, waterers and drinkers for watering livestock and poultry; equipment for animal and poultry husbandry, namely, pens, stalls and enclosures to accommodate or provide feeding, gestating, farrowing, housing, water, bedding, medical access and vaccinations of or for sows and gilts, to sort sow and gilts and to provide enrichment, activities and stimulation to sows and gilts for sows and gilts; equipment for animal and poultry husbandry, namely, sow and gilt operated and manipulated ad lib feeders, sow and gilt operated and manipulated loose housing and farrowing housing, group housing, stalls and pens; replacement parts for all of the aforementioned products
24	(8) Equipment for animal and poultry husbandry, namely, fabric curtains
27	(9) Livestock stabling, management products, namely cow mats

Services (Nice class & Statement)

37	(1) Repair and maintenance of ceiling fans and ceiling fan accessories, lighting namely pendants, table lamps, floor lamps, sconces, outdoor lighting, cast aluminum outdoor lanterns, flush mounts, chandeliers, track lighting, clip lights, wall lights, electric lighting fixtures; repair and maintenance of ventilation equipment, namely fans, inlets, shutters, controls and accessories for such fixtures; repair and maintenance of agricultural products, namely heat lamps and livestock waterers; repair and maintenance of fans namely, desk fans, fans which can be mounted to furniture, standing fans, ceiling fans, kitchen fans; repair and maintenance of fittings, accessories and replacement parts for fans of all types; repair and maintenance of remote control fan operation units; repair and maintenance of lights for attaching to ceiling fans; repair and maintenance of fan hoods, fan shutters, fan back guards and fan front guards; repair and maintenance of detachable wall lights; repair and maintenance of fixed track lighting; repair and maintenance of fittings,
----	---

accessories and replacement parts for lights and light fixtures; repair and maintenance of ceramic heaters, halogen floor lamps, space heaters, halogen track lighting and industrial ceiling fans, ventilators, chairs, radiant electric heaters, electric refrigerators, stoves; repair and maintenance services for livestock stabling, feeding and management products, namely tie stalls, free stalls, gates, penning panels, crates, feeders, cow mats, calf pens; flooring, heat lamps; repair and maintenance services for barn, commercial and greenhouse ventilation products, namely roof exhaust, wall exhaust, circulating, blower fans, electronic environment (airflow, temperature, humidity) controllers; servicing and installation of equipment for animal husbandry relating to livestock and poultry, namely installation, setting up, updating, troubleshooting, service maintenance and repairing of said equipment
