Colour claim

Colour is claimed as a feature of the trademark. The colours orange, grey and black are claimed as a feature of the mark. The mark consists of two overlapping hexagons that are slightly offset from one another and form a border around all the black lettering including the stylized term "BNSF" and the centered and stacked words "SHORTLINE," "SELECT" and "RAILROAD" with an orange hyphen on each side of "SELECT," and a solid grey colored triangle above "BNSF" and below "RAILROAD". The inside of the top hexagon includes white and shades of gray, giving the appearance of a metallic or three-dimensional surface. The tips of the back hexagon that extend outward beyond the top hexagon are orange.
