SUNOCO

Goods (Nice class & Statement)

1	(1) Petrochemicals, namely, light olefins including ethylene, propylene, butadiene, mixed C4 streams, and isobutylene, aromatics including benzene, toluene, xylenes, and ethylbenzene, petrochemical feedstocks and natural gas liquids including naphtha, condensate, ethane, butane, chemical intermediates including styrene monomer, vinyl chloride monomer, ethylene dichloride, ethylene oxide, propylene oxide, ethylene glycol, acrylonitrile, and cumene, alcohol and solvents including methanol, n-butanol, 2-ethylhexanol, hexane, cyclohexane, acetone, methyl ethyl ketone, isopropanol, and industrial nitrogen-based products anhydrous ammonia and urea ammonium nitrate solutions
4	(2) Jet fuel, aviation fuel, aviation turbine fuel, Jet A fuel, Jet A-1 fuel, Jet Fuel JP-54, sustainable aviation fuel (SAF), synthetic aviation fuel, bunker fuel, marine diesel, rail diesel, asphalt, asphalt flux, gasoil

Services (Nice class & Statement)

35	(1) Sponsorship of sports and entertainment events; Financial sponsorship of sports and entertainment events; Marketing services, namely arranging the distribution of petroleum and petrochemical products for others; Promoting and marketing the wholesale distribution of petroleum and petroleum-derived products for industrial, commercial, and aviation use, namely, jet fuel, aviation fuel, aviation turbine fuel, Jet A fuel, Jet A-1 fuel, Jet Fuel JP-54, sustainable aviation fuel (SAF), synthetic aviation fuel, crude oil, bunker fuel, marine diesel, marine fuel, rail diesel, asphalt, asphalt flux, petrochemicals, light olefins including ethylene, propylene, butadiene, mixed C4 streams, and isobutylene, aromatics including benzene, toluene, xylenes, and ethylbenzene, petrochemical feedstocks and natural gas liquids including naphtha, condensate, ethane, butane, chemical intermediates including styrene monomer, vinyl chloride monomer, ethylene dichloride, ethylene oxide, propylene oxide, ethylene glycol, acrylonitrile, and cumene, alcohol and solvents including methanol, n-butanol, 2-ethylhexanol, hexane, cyclohexane, acetone, methyl ethyl ketone, isopropanol, and industrial nitrogen-based products anhydrous ammonia and urea ammonium nitrate solutions; Promoting and marketing the wholesale distribution of biofuels (FAME, HVO, ethanol), biomethane fuel, methanol, e-methanol, e-methane, Liquid Organic Hydrogen Carrier (LOHC), solid organic Hydrogen carrier (SOHC), Bio LNG, e marine fuel, and ammonia storage; Wholesale services relating to petroleum and petroleum-

	derived fuels, biofuels, and e-fuels; Providing workplace, community, and charitable programs for the benefit of employees, contractors, and communities in the oil and gas industry, namely: providing workplace initiatives for employees and contractors that promote and reward personal safety, process safety, and enhanced environmental performance; providing community initiatives in regions where the oil and gas industry operates that foster collaboration, transparency, environmental stewardship, leadership development, and healthy community growth; providing charitable initiatives that support athletes, encourage employee volunteerism, sponsor other charitable organizations, and invest in local communities; and providing charitable services, namely, awarding donations to educational, environmental, and community-based nonprofit organizations and initiatives; Indigenous engagement, sponsorship, and partnership services, namely, developing, coordinating, and managing collaborative programs, community outreach initiatives, cultural engagement activities, and relationship-building strategies with Indigenous communities; facilitating sponsorship arrangements, partnership agreements, and stakeholder engagement between businesses, organizations, and Indigenous groups; and providing consultation, advisory, and project management services in the field of Indigenous relations, community investment, and corporate social responsibility initiatives involving Indigenous peoples and organizations
39	(2) Transportation and transmission of petroleum and petroleum-derived products for industrial, commercial, and aviation use, namely, refined petroleum products, jet fuel, aviation fuel, aviation turbine fuel, Jet A fuel, Jet A-1 fuel, Jet Fuel JP-54, sustainable aviation fuel (SAF), synthetic aviation fuel, natural gas liquids including ethane, and butane, crude oil, bunker fuel, marine diesel, marine fuel, rail diesel, blended petroleum products, renewable fuels, petrochemicals, ammonia, and specialty liquids via pipeline; Transportation of goods by rail, boat, and truck; Operation of transportation terminals, docks, storage facilities, and bulk distribution plants used in connection with the transportation and distribution of goods; Pipeline gathering, production, and processing services for others in the field of petroleum and petroleum-derived products for industrial, commercial, and aviation use, namely, refined petroleum products, jet fuel, aviation fuel, aviation turbine fuel, Jet A fuel, Jet A-1 fuel, Jet Fuel JP-54, sustainable aviation fuel (SAF), synthetic aviation fuel, natural gas liquids including ethane, and butane, crude oil, bunker fuel, marine diesel, marine fuel, rail diesel, blended petroleum products, renewable fuels, petrochemicals, ammonia, and specialty liquids; Terminal services for fuel, namely, receiving, handling, storage, blending, loading, unloading, and distribution of jet fuel, aviation fuel, aviation turbine fuel, Jet A fuel, Jet A-1 fuel, Jet Fuel JP-54, sustainable aviation fuel (SAF), synthetic aviation fuel, crude oil, bunker fuel, Marine Diesel, marine fuel, rail diesel, renewable fuels, and other petroleum products at fuel storage and distribution terminals for others; Storage and distribution of petroleum and petroleum-derived

		products for industrial, commercial, and aviation use, namely, gasoil, jet fuel, aviation fuel, aviation turbine fuel, Jet A fuel, Jet A-1 fuel, Jet Fuel JP-54, sustainable aviation fuel (SAF), synthetic aviation fuel, crude oil, bunker fuel, Marine Diesel, marine fuel, rail diesel, asphalt, asphalt flux, petrochemicals, light olefins including ethylene, propylene, butadiene, mixed C4 streams, and isobutylene, aromatics including benzene, toluene, xylenes, and ethylbenzene, petrochemical feedstocks and natural gas liquids including naphtha, condensate, ethane, butane, chemical intermediates including styrene monomer, vinyl chloride monomer, ethylene dichloride, ethylene oxide, propylene oxide, ethylene glycol, acrylonitrile, and cumene, alcohol and solvents including methanol, n-butanol, 2-ethylhexanol, hexane, cyclohexane, acetone, methyl ethyl ketone, isopropanol, and industrial nitrogen-based products anhydrous ammonia and urea ammonium nitrate solutions; Promoting and marketing the wholesale distribution of biofuels (FAME, HVO, ethanol), biomethane fuel, methanol, e-methanol, e-methane, Liquid Organic Hydrogen Carrier (LOHC), solid organic Hydrogen carrier (SOHC), Bio LNG, e marine fuel, and ammonia storage; Storage and distribution of biofuels (FAME, HVO, ethanol), biomethane fuel, methanol, e-methanol, e-methane, Liquid Organic Hydrogen Carrier (LOHC), solid organic Hydrogen carrier (SOHC), Bio LNG, e marine fuel, and ammonia storage; Storage and distribution of bulk liquid fuel in terminals; Storage of refined liquid fuel reserves
	40	(3) Refining and marketing, namely, supply, trading, and sale of petroleum and petroleum-derived products, biofuels, and e-fuels for others; Refinement of petroleum and petroleum-derived fuel, biofuel, and e-fuels; Processing of petroleum and petroleum-derived fuel, biofuel, and e-fuels; Blending of petroleum and petroleum-derived fuel, biofuel, and e-fuels; Fuel blending services
