Index headings

AEG

Goods (Nice class & Statement)

9 (1) Industrial batteries; uninterruptible power supply batteries; battery packs; battery chargers; power supply components; electrical cables and connectors; switchgears; breakers; power monitoring devices; battery communication cards; battery management systems; sensors; controllers; uninterruptible power supply apparatus; voltage stabilizers; power supply units; electrical distribution apparatus, namely switchboards, distribution panels and circuit breakers; electrical transformers; uninterruptible power supply apparatus to convert electrical energy, transform AC/DC current, charge electrical devices and batteries, regulate and control electricity; AC/DC inverters; power inverters; inverters; electrical power controllers; voltage regulators; power distribution apparatus comprising electrical distribution panels, switchboards, switchgear and circuit breakers; electrical power supplies; switch-mode power supplies; programmable power supplies; electric control and monitoring devices; AC/DC power supply; DC/DC converters; switch-mode power supplies; linear power supplies; programmable power supplies; solar/photovoltaic power inverters

Services (Nice class & Statement)

37 (1) Uninterruptible power supply installation and maintenance; electrical repair services
42 (2) Remote monitoring of battery systems, switchgear, circuit breakers and electrical distribution equipment for detecting equipment malfunctions and performance deficiencies; cloud-based uninterruptible power supply management services; diagnostic services for uninterruptible power supplies, battery systems, switchgear, circuit breakers and electrical distribution equipment
