Colour claim

Colour is claimed as a feature of the trademark. Colour is claimed as a feature of the trademark. The colour(s) red, yellow, gold, black, white and gray is/are claimed as a feature of the mark. The mark consists of the wording "MAG 1" in stylized lettering. The word "MAG" appears in varying shades of white and gray and the number "1" appears in varying shades of yellow and gold. The wording "MAG 1" appears on a red polygon. Darker red shadowing appears below and between the letters and number to create a raised effect and gray and black shadowing above, below and on the sides of the polygon also creates a raised effect to the mark. To the right of the polygon is a checkerboard design comprised of squares in varying shades of gray and black. No other background color is claimed.

Goods (Nice class & Statement)
