for use in electronic commerce in the field of retail store and wholesale store services for processing electronic payments to and from others and authenticating the identity of payer; software for processing electronic payments to and from others; authentication software for verification of online payment and transfer of funds; downloadable computer software for facilitating online trading in the field of e-commerce in the field of retail store and wholesale store services in which seller posts products to be sold and purchased via the Internet; computer software for facilitating online trading in the field of e-commerce in the field of retail store and wholesale store services in which seller posts products to be sold and purchased via an application for mobile devices and computers; computer software for interactive entertainment, which allows users to customize the viewing, listening, and playing experience by selecting and arranging the display and performance of audio, video and audiovisual elements; instant messaging software; file sharing software for electronically exchanging data, namely, email messages, text messages, photographs, graphics, music, audio books, podcasts, voice messages and video in the nature of movies, music videos, television programs, clips of movies and television programs, video messages and user uploaded video clips via computer, mobile, wireless and telecommunications networks; computer software for electronically exchanging text messages, photographs, graphics, music, audio books, podcasts, voice messages via an application for mobile devices and computers; computer software for processing images, graphics, audio, video, and text; downloadable computer software to facilitate the electronic transmission of information and data, namely, data collected from public opinion polls, customer transaction records, membership records, product inventory records, customer preference, customer credit rating and sellers' credit rating, in the field of electronic commerce, namely, operation and management of online retail stores and wholesale stores, online trading services in which seller posts products to be auctioned and bidding is done via the Internet, user generated documents, voice messages, and photographs namely, email messages, text messages, photographs, graphics, music, audio books, podcasts, voice messages and video in the nature of movies, music videos, television programs, clips of movies and television programs, video messages and user uploaded video clips to mobile phones and computers over the Internet; downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; downloadable computer software for accessing, viewing and controlling remote computers and computer networks; downloadable cloud-computing software for deploying virtual computer systems to a cloud computing platform, managing virtual computer systems on a cloud computing platform for general storage of data, database management, accessing databases and internet security; downloadable cloud-based software for general storage of data, database management, accessing databases and

internet security; downloadable cloud-computing software for deploying virtual computer systems to a cloud computing platform, managing virtual computer systems on a cloud computing platform for general storage of data, database management, accessing databases and internet security in the field of business management, e-commerce, retail store and wholesale store services, transportation, accommodation, and travel agency services; downloadable computer software for accessing, viewing, and controlling remote computers and computer networks; computer software applications for streaming audio materials, video materials, videos, music and images, namely, photographs, graphics, music, audio books, podcasts, voice messages and video in the nature of movies, music videos, television programs, clips of movies and television programs, via computer, mobile, wireless, and telecommunication networks, namely, radio, telephone, cable and satellite communication networks; downloadable computer games, pictures, motion pictures, movies and music; digital music (downloadable from the Internet); downloadable audio, visual, and audiovisual files and recordings, featuring multimedia entertainment, namely, movies, television programs and music videos and digital content in the field of travel and leisure activities, namely, for streaming podcasts and webcasts in the field of travel, for accessing websites in the field of travel, and for checking airline schedules; online electronic publications, namely, books, magazines, newsletters, journals, directories, catalogues and information pamphlets downloadable from the Internet, computer network, computer database and instant messaging software for electronically exchanging text messages, photographs, graphics, music, audio books, podcasts, voice messages via computer, mobile, wireless and telecommunications networks; downloadable electronic publications, namely, newspaper and magazine articles, essays and academic papers, and instructional books, charts, diagrams and video files in the fields of telecommunications, namely, television and radio broadcasting, navigating the Internet, training, namely, arranging and conducting of instructional courses, computer training, correspondence courses, conferences, workshops, seminars, webinars, business assistance, namely, facilitating business transactions via an electronic marketplace for the buyers and sellers and goods and services via local and global computer networks, sales methods, sales management, social selling, sales improvement, developing sales promotional campaigns for others, lead generation sales, sales training, and marketing in the field of business management and e-commerce in the field of retail store and wholesale store services; computer software for image, graphics and word processing, semi-conductors; semi-conductor integrated circuits; semi-conductor memory chips; semi-conductor memory controllers; semi-conductor memory integrated circuits; semi-conductor processor chips; semi-conductor processors; microcontrollers; microcontroller units; low power microcontrollers; circuit chips, namely, integrated circuits; computer chips; CPU (central processing unit);

RISC-V computer chips and central processing units; computer chips and central processing units with instruction set architecture; notebook computers; laptop computers; portable computers; handheld computers; tablet computers; personal digital assistants; personal media players, namely, portable and handheld audio and video players, namely, MP3 players, MP4 players, CD players and DVD players; mobile telephones; smart phones; digital cameras; batteries and battery chargers for notebook computers, laptop computers, portable computers, personal digital assistants, personal media players, namely, portable and handheld audio and video players, namely, MP3 players, MP4 players, CD players, DVD players mobile telephones, smart phones and digital cameras; computer workstations, comprised of computer, monitor and printer; computer servers; computer and telecommunications networking hardware, namely, computer network adaptors, switches, routers and hubs; wireless and wired modems and communication cards and devices, namely, long distance calling cards, cell phone, telephones; cases adapted for laptop computers and computers; computer hardware and computer firmware for controlling large overhead variable message signs on highways, computer firmware for database management, namely, assuring accuracy and stability of data information, namely, customer transaction records, membership records, product inventory records, customer preference, customer credit rating, sellers' credit rating, in the field of electronic commerce in the field of retail store and wholesale store services, online trading and data management, namely, namely, processing, updating, storing, retrieving and maintenance of data in computer databases, computer firmware for programming of function of hardware and network of computers and remote monitoring of function of hardware and network of computers; compact discs containing music; telecommunications apparatus, namely, network telephone, electronic facsimile machines, handheld computers, personal digital assistants and mobile phones; mouse mats; mobile phone handsets; mobile phone parts and fittings; alarm systems, namely, personal security alarms, burglar alarms, fire alarm systems; security cameras; mobile radio and television broadcasting units; television broadcasting equipment, namely, transmitters, amplifiers, television cameras and monitors, camcorders, namely, video camera recorders and video teleprompters; cameras; cameras; video cameras; headphones; telephone earpieces; stereo and computer speakers; Global Positioning System (GPS) apparatus and equipment, namely, computer software, transmitters, receivers and hand held units, for automotive, aviation and marine uses and vehicle tracking; computer, electronic and video games programs and software (including software downloadable from the Internet); liquid crystal displays for telecommunications and electronic equipment; set top box; remote controls, namely, remote controls for televisions, remote controls for home audio sets, remote controls for video players, namely, CD players, DVD players and MP4 players; downloadable cloud computing

software for deploying virtual machines to a cloud computing platform, managing virtual machines on a cloud computing platform for general storage of data, database management, accessing databases and internet security in the field of business management, e-commerce, retail store and wholesale store services, transportation, accommodation, and travel agency services; Downloadable cloud-based software for general storage of data, database management, accessing databases and internet security; fire extinguisher; spectacles and sunglasses; outdoor signboards of metal (luminous); encoded or magnetic bank credit, debit, cash and identification cards; automatic teller machines, cash dispensers; electronic book readers; toner cartridges, unfilled, for printers and photocopiers; baby monitors; video baby monitors; lens hoods; encoded key cards; 3D spectacles; memory cards for video game machines; digital media streaming devices, namely, set-top boxes, digital video recorders, MP3 players, MP4 players, computers, laptops, tablets, smart phones

Services (Classe de Nice & Énoncé(s))

- 42 (1) Scientific and technological services and research and design relating to semi-conductor, semi-conductor integrated circuits, semi-conductor memory chips, semi-conductor memory controllers, semi-conductor memory integrated circuits, semi-conductor processor chips, semi-conductor processors, microcontrollers, microcontroller units, low power microcontrollers, circuit chips, computer chips, CPU (central processing unit), RISC-V computer chips and central processing units, computer chips and central processing units with instruction set architecture, consultancy, information and advisory services relating to the aforesaid services; industrial analysis and research services in the field of computer hardware and software systems of others, consultancy, information and advisory services relating to the aforesaid services; technical project studies in the field of troubleshooting of computer hardware and software problems provided online, by email and by telephone, consultancy, information and advisory services relating to the aforesaid services; hosting a website featuring technology that enables users to share information and advice, consultancy, information and advisory services relating to the aforesaid services; design and development of computer hardware and software, consultancy, information and advisory services relating to the aforesaid services; research and development relating to semi-conductor, semi-conductor integrated circuits, semi-conductor memory chips, semi-conductor memory controllers, semi-conductor memory integrated circuits, semi-conductor processor chips, semi-conductor processors, microcontrollers, microcontroller units, low power microcontrollers, circuit chips, computer chips, CPU (central processing unit), RISC-V computer chips and central processing units, computer chips and central processing units with instruction set architecture, consultancy, information and advisory services relating to the aforesaid services; software as a service (SaaS)

provider, namely, computer software applications for others for facilitating business transactions in the field of electronic commerce software for retail store services, wholesale store services and online trading services in which seller posts products to be auctioned and bidding is done via the Internet, SaaS provider for technical support services in the form of troubleshooting of computer hardware and software, and troubleshooting of telecommunications, namely, satellite network, wireless computer network, telephone communications network, cable network and cellular network, electronic billing and payment processing services, providing virtual computer systems and virtual computer environments through cloud computing, namely, management of cloud computing systems and applications for others, cloud design and architecture maintenance and software for cloud storage and network management, consultancy, information and advisory services relating to the aforesaid services; computer support services [programming and software installation, repair and maintenance services] in connection with transmitting information, data, documents, and images over the Internet, consultancy, information and advisory services relating to the aforesaid services; application service provider (ASP) services, namely, hosting computer software applications of others, consultancy, information and advisory services relating to the aforesaid services; web portal services, namely, hosting an internet website portal containing an interactive computer database featuring movies programming, previews, trailers, sports, concerts, celebrity and entertainment news and other related information, consultancy, information and advisory services relating to the aforesaid services; application service provider (ASP) services for providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing, consultancy, information and advisory services relating to the aforesaid services; providing online non-downloadable software for facilitating the interoperability of multiple software applications in the field of electronic commerce in the nature of retail store and wholesale store services, consultancy, information and advisory services relating to the aforesaid services; technical support services in the form of troubleshooting of computer hardware and software problems provided online, by email and by telephone, consultancy, information and advisory services relating to the aforesaid services; computer support services [programming and software installation, repair and maintenance services] in relation to creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents, consultancy, information and advisory services relating to the aforesaid services; computer technology advice on programming and software installations, repair and maintenance provided to Internet users by means of a support hotline, consultancy, information and advisory services relating to the aforesaid services; computer support services

[programming and software installation, repair and maintenance services] relating to creating indexes of information, sites and resources on computer networks, consultancy, information and advisory services relating to the aforesaid services; providing search engines, consultancy, information and advisory services relating to the aforesaid services; design of computers, notebook computers, laptop computers, portable computers and handheld computers, consultancy, information and advisory services relating to the aforesaid services; design of personal digital assistants and personal media players, consultancy, information and advisory services relating to the aforesaid services; design of mobile telephones and smart phones, consultancy, information and advisory services relating to the aforesaid services; design of digital cameras, consultancy, information and advisory services relating to the aforesaid services; information technology (IT) services in the field of troubleshooting of computer hardware and software problems provided online, by email and by telephone, consultancy, information and advisory services relating to the aforesaid services; computer support services, namely, programming and software installation, repair and maintenance services in connection with transmitting information, data, documents, and images over the Internet, in relation to design, maintenance and updating of computer system software, consultancy, information and advisory services relating to the aforesaid services; computer programming, consultancy, information and advisory services relating to the aforesaid services; computer system integration services, consultancy, information and advisory services relating to the aforesaid services; computer analysis services, consultancy, information and advisory services relating to the aforesaid services; computer programming in relation to the defence against virus, consultancy, information and advisory services relating to the aforesaid services; programming, installation, repair and maintenance of computer system software, consultancy, information and advisory services relating to the aforesaid services; computer network services for exchanging of data, consultancy, information and advisory services relating to the aforesaid services; computer software design, consultancy, information and advisory services relating to the aforesaid services; computer system design, consultancy, information and advisory services relating to the aforesaid services; design and development of webpages, consultancy, information and advisory services relating to the aforesaid services; hosting webpages for others, consultancy, information and advisory services relating to the aforesaid services; hosting computer application software for searching and retrieving information from databases and computer networks, consultancy, information and advisory services relating to the aforesaid services; cloud computing provider services for general storage of data, consultancy, information and advisory services relating to the aforesaid services; providing on-line non-downloadable computer software and computer applications for streaming audio materials, video materials, videos, music and images,

consultancy, information and advisory services relating to the aforesaid services; providing technical information in the field of computer software, computer hardware and computer programming at the specific request of end-users by means of telephone or global computer network, consultancy, information and advisory services relating to the aforesaid services; consultancy services in relation to computer software, consultancy, information and advisory services relating to the aforesaid services; design and development of search engines, consultancy, information and advisory services relating to the aforesaid services; design of computer codes, consultancy, information and advisory services relating to the aforesaid services; development of computer codes, consultancy, information and advisory services relating to the aforesaid services; coding of messages, consultancy, information and advisory services relating to the aforesaid services; conversion of physical data and documents into electronic media format, consultancy, information and advisory services relating to the aforesaid services; material testing and evaluation services, consultancy, information and advisory services relating to the aforesaid services; information services relating to information technology in the fields of Internet, world wide web and computerized communication network security and the secure transmission of data and information, consultancy, information and advisory services relating to the aforesaid services; computer security services, namely, testing and risk assessment of computer programs, consultancy, information and advisory services relating to the aforesaid services; computer security services (testing and risk assessment of computer networks), consultancy, information and advisory services relating to the aforesaid services; providing quality assurance services in the field of computer and data security, consultancy, information and advisory services relating to the aforesaid services; computer technological services in relation to the verification of online business transactions, consultancy, information and advisory services relating to the aforesaid services; computer security services relating to providing access control to computers, electronic networks and databases, consultancy, information and advisory services relating to the aforesaid services; data security services (firewalls) relating to data transmission and of transactions via computer networks, consultancy, information and advisory services relating to the aforesaid services; consultancy in the field of computer security, consultancy, information and advisory services relating to the aforesaid services; technological consultancy in the field of computer security relating to securing computer network communications by means of a global computer network, consultancy, information and advisory services relating to the aforesaid services; computerized communication network security services, consultancy, information and advisory services relating to the aforesaid services; providing information in the fields of Internet, world wide web, computerized communication network security and the secure transmission of data and information, namely, email messages, text messages, photographs, graphics,

music, audio books, podcasts, voice messages and video in the nature of movies, music videos, television programs, clips of movies and television programs, video messages and user uploaded video clips, via radio, telephone lines, satellite, cable network and wide area network, consultancy, information and advisory services relating to the aforesaid services; consulting services in the fields of navigating the Internet, world wide web and computerized communication network security services, information security services namely, remote monitoring of systems against security threats, consultancy, information and advisory services relating to the aforesaid services; authentication services for computer security, consultancy, information and advisory services relating to the aforesaid services; online authentication of electronic signatures, consultancy, information and advisory services relating to the aforesaid services; off-site data backup, consultancy, information and advisory services relating to the aforesaid services; electronic data storage, namely, archiving business documents, personal documents and corporate documents, consultancy, information and advisory services relating to the aforesaid services; providing information on computer technology and programming via a website, consultancy, information and advisory services relating to the aforesaid services; cartography services, consultancy, information and advisory services relating to the aforesaid services; rental of entertainment software, consultancy, information and advisory services relating to the aforesaid services; architectural design services, consultancy, information and advisory services relating to the aforesaid services; interior designing of buildings, offices and apartments, consultancy, information and advisory services relating to the aforesaid services

Revendication(s)

Priority Filing Date: May 10, 2021, Country or Office: SINGAPORE, Application No. 40202110862V in association with the same kind of goods and in association with the same kind of services
