Produits (Classe de Nice & Énoncé(s))

19 (1) Above-ground pools primarily not of metal; accessory products for thermoplastic polyolefin (TPO) commercial roofing, namely bitumen-based sealants; accessory products for thermoplastic polyolefin (TPO) commercial roofing, namely non-metallic roofing pipe boot flashings; accessory products for thermoplastic polyolefin (TPO) commercial roofing, namely slip-resistant walkway pads; accordion doors, not of metal; acoustic panels, not of metal; adhesive mortar for building purposes; agalmatolite for use in building; agglomerated bagasses of cane being building material; agglomerated cork for building; agricultural nets for erosion control; alabaster; alabaster glass for building; alumina cement; amphibole for use as building materials; andesite; anti-decay wood; aquarium gravel; aquarium sand; arbours being structures, not of metal; armor-plating made of aramid composite for building purposes; armor-plating, not of metal; armored doors, not of metal; armour-plating of ceramic; armour-plating, not of metal; armoured doors, not of metal; aromatic cedar planking for construction purposes; artificial coral fish reefs; artificial fish reefs; artificial stone; artificial stone veneer siding; artificial stone veneers; artificial timber; asbestos cement; asbestos mortar; ash made of amorphous silica for use as an additive in cement; asphalt; asphalt felt for building purposes; asphalt for building purposes; asphalt patching compounds; asphalt paving; asphalt paving compositions; asphalt roof coatings; asphalt roofing; asphalt roofing felt; asphalt roofing paper; asphalt, pitch and bitumen; asphalt, pitch, tar and bitumen; asphalt-based mastics for foundations of buildings; asphalt-based roofing mastics; automated security barriers, not of metal; automated security gates, not of metal; aviaries, not of metal; awnings, not of metal and not of textile; backings sold as a component of vinyl floor tiles; baffle panels in the nature of submergible fiberglass walls used to direct water flow at waste water treatment facilities; balcony enclosures, not of metal; balsa wood; balustrades; balustrading; bamboo flooring; banisters, not of metal; barn doors, not of metal; barricades, not of metal, for roads; barriers, not of metal, for pedestrian traffic control; bicycle bollards primarily of cement; bicycle bollards primarily of concrete; bicycle parking installations, not of metal; bicycle storage racks, not of metal; binding agents for making briquettes; binding agents for making stones; binding material for road repair; bitumen; bitumen asphalt; bitumen blends; bitumen building materials; bitumen cardboard coatings for roofing; bitumen paper for building; bitumen-based coatings for doors and windows of wood and synthetic materials;

bitumen-based sealants for asphalt; bitumen-based sealants for driveways; bitumen-based sealants for roofing; bituminous coatings for roofing; bleachers, not of metal; blocks of concrete; boards of gypsum plaster; boards of wood; boat dock bumpers; bonding mortar for building purposes; boulders; bricks; building and interior glass painted panes; building boards of plastic; building cardboard; building construction materials in the nature of aromatic cedar planking; building drop shafts not of metal; building glass; building material, namely, plastic webbing material used to reinforce bituminous waterproofing sheets; building materials in the form of plastic composite coatings; building materials, namely, cellular PVC trim; building materials, namely, fly ash; building materials, namely, non-metal countertops for further installation; building materials, namely, plastic pedestals for elevating pavers; building materials, namely, plastic pipe supports; building materials, namely, pre-cast concrete wall forms; building materials, namely, slabs of stone wool; building paper; building poles of plastic; building sand; building seam tape; building stone; building stones for building; building strips of plastic; building timber; burial vaults, not of metal; busts of concrete; busts of marble; busts of stone; cabanas, not of metal; caissons for construction work under water; calcareous marl; calcareous stone; calcite; canopies, not of metal and not of textile; casement windows of fiberglass; casement windows of plastic; casement windows, not of metal; cask wood; cast stone garden and household ornaments; cat doors, not of metal; cat flaps, not of metal; cattle chutes, not of metal; ceiling boards of wood; ceiling tiles of plastic; cement blocks; cement chimneys; cement excelsior boards; cement for blast furnaces; cement for furnaces; cement foundation stones; cement mixes; cement mortar pipes; cement mortar roofing tiles; cement mortar slates; cement partitions for buildings; cement paving tiles; cement pipes; cement posts; cement sculptures; cement setting stones; cement sewer pipes; cement silos; cement slabs; cement tombs; cement veneer siding; cementitious flooring for hydraulic cement-based systems; cementitious footings for hydraulic cement-based systems; cementitious grouts for hydraulic cement-based systems; cementitious masonry for hydraulic cement-based systems; cementitious mortars for hydraulic cement-based systems; cementitious panels for hydraulic cement-based systems; cementitious pastes for hydraulic cement-based systems; cementitious pillars for hydraulic cement-based systems; cementitious posts for hydraulic cement-based systems; cementitious precast concrete blocks for hydraulic cement-based systems; cementitious ready mixed concrete for hydraulic cement-based systems; cementitious setting compound for wall and ceiling repairs; cementitious slabs for hydraulic cement-based systems; cementitious soil stabilizers for hydraulic cement-based systems; cementitious structural beams for hydraulic cement-based systems; cementitious stucco for hydraulic cement-based systems; ceramic bricks for use in refractory furnaces; ceramic ceiling tiles; ceramic drain pipes; ceramic floor tiles; ceramic roofing tiles; ceramic tiles; ceramic tiles for flooring and facing;

ceramic tiles for flooring and lining; ceramic tiles for tile floors and coverings; ceramic wall tiles; ceramic water pipe valves; chainlink fences, not of metal; chicken coops, not of metal; chicken-houses, not of metal; chimney cowls, not of metal; chimney pots, not of metal; chimney shafts, not of metal; chimneys, not of metal; chipboard; clay ash; clay chimney pots; clay floor tiles; clay for use as building material; clay pipes and conduits; clay roofing tiles; clay sculptures; clay slabs; clay sold in powdered form for use in the manufacture of wallboard and plastics; clay wall tiles; clinker ballast; clinker stone; coal tar; coatings for concrete, namely, coatings for use in fireproofing concrete, waterproofing concrete, polishing concrete, and restoring concrete; coatings sold as an integral component of glass panels for cleaning and protection; cobbles; cobbles and boulders; coin-operated non-metal gates for car parking facilities; coin-operated non-metal gates for parking lots; cold frames, not of metal; cold-bending plastic sheets for building; colored sheet glass for building; colored window glass for building; coloured sheet glass for building; common sheet glass for building; composite plastic tiles; composite wood; concrete; concrete aggregate; concrete beams; concrete bird baths; concrete blocks; concrete bollards; concrete box culverts; concrete bricks; concrete buildings to house communication equipment; concrete buildings to house power generation equipment; concrete conduits; concrete construction blocks; concrete coping; concrete curbs; concrete decorative columns; concrete distribution poles; concrete drain pipes; concrete drainage structures, namely, storm manholes; concrete drainage structures, namely, trench drains; concrete fences; concrete flooring; concrete floors; concrete footings; concrete for monuments; concrete form boards; concrete form panels; concrete garden edging; concrete gutters; concrete headwalls for drainage; concrete inlet catch basins; concrete interior and exterior stairs; concrete lawn edging; concrete light poles; concrete lintels; concrete low wall; concrete maintenance holes; concrete manhole covers; concrete masonry banding; concrete mooring bollards; concrete palisades; concrete panels; concrete partitions for buildings; concrete patching compounds with a tar base; concrete patio stones; concrete pavers; concrete paving blocks; concrete paving slabs; concrete paving stones; concrete piles; concrete pillars; concrete pipes; concrete plates for building; concrete poles; concrete poles for building; concrete poles for use as building materials; concrete post caps; concrete posts; concrete prefabricated slabs and elements; concrete resurfacer; concrete retaining wall blocks; concrete retaining walls; concrete road pavement boards; concrete sculptures; concrete security fencing; concrete sewer pipes; concrete siding; concrete sign supports; concrete signs; concrete sills; concrete silos; concrete slabs; concrete slabs for building; concrete sleepers; concrete stair treads; concrete storm pipes; concrete street gutters; concrete structural beams; concrete structural columns for building; concrete utility poles; concrete vaults; concrete wall caps; concrete wall panels; concrete walls; concrete walls for building; construction material, namely, fiberglass

board; construction material, namely, fiberglass faced sheathing; construction material, namely, fiberglass panels; construction materials, namely, solid phenolic toilet partitions; construction materials, not of metal, namely quartz and artificial stone tiles and slabs; construction timber; construction timber used for decking, fencing, paneling, siding; containment systems for large scale liquid spills or releases, namely, berms made of polymer concrete, vinyl, or fiberglass; cork tiles and tiles of cork-based conglomerates for floor, wall and ceiling coverings; corners made of polymer stone for use in building construction; cornices, not of metal; cove bases, not of metal; crash barriers not of metal; crash barriers, not of metal, for roads; crowd control barriers not of metal; crude bitumen, natural asphalt, pipeline sales bitumen, natural bitumen, pitch, bitumen, bitumen blends, asphalt and asphalt blends; crushed stone; culverts made of plastic for construction; dado rails; dado rails of plastic; dado rails of wood; decking boards of wood; decorative aquarium rocks and stones; decorative aquarium stones; decorative glass for building; decorative panels for walls and ceilings made of high density fiberboard; decorative spheres of concrete; decorative spheres of marble; decorative spheres of stone; decorative stones; decorative tiles, not of metal, for hearth extensions; desktop statuary made of stone, concrete or marble; diving boards, not of metal; diving platforms; dog doors, not of metal; dog flaps, not of metal; dog houses, not of metal, for building sites; door jambs, not of metal; door leaves not of metal; door surrounds, not of metal; doors, not of metal, for gazebos and tents; downspouts not of metal; drain pipes made of concrete, earthenware and sandstone; drains, not of metal, for use in construction of basement waterproofing systems; drywall; drywall corner beads, not of metal; drywall panels; ducts, not of metal, for ventilating and air-conditioning installations; earth for bricks; earthenware floor tiles; earthenware pipes; earthenware roofing tiles; earthenware tiles; earthenware wall tiles; edgebanding made of polyvinyl chloride (PVC); edgebanding made of wood; elastomeric expansion joints for bridges; enamelled glass, for building; energy efficient glass; engineered stone flooring; engraved and cut stone plaques; epoxy grout; epoxy resin-based slabs manufactured using crushed recycled rock and glass for building purposes; erosion control fabric, mats and sheeting; erosion control fabrics; erosion-control fencing; erosion-control mats; fabric expansion joints for duct and piping systems; fabric-covered portable ice fishing shelters; fabrics for underlayment of flooring; facade claddings, not of metal, for building; facing plaster; factory prefabricated housing units made of plastic composites; fascias, not of metal; feldspar; felt for building; fence gates, not of metal; fence wall primarily made of thermoplastic composite; fences, not of metal; fiber cement; fiber cement boards; fiber cement siding; fiber reinforced plastic ceiling; fiberboard building panels incorporating acoustic insulation; fiberboards; fiberglass doors; fiberglass fabrics for structural reinforcement; fiberglass flooring; fiberglass materials for constructing floors; fiberglass reinforcement

fabric for use in land, sea and aerospace applications; fiberglass windows; fibreboard; fibreglass drainage pipes; fibreglass window screens; fibreglass window shutters; fibreglass windows; figured plate glass for building; figurines of concrete; figurines of marble; figurines of stone; filling cement; finish plasters made of colored artificial resin; finish plasters made of coloured artificial resin; fire blocks; fire bricks; fire burrs; fire clay; fire doors made of vermiculite and gypsum; fire doors, not of metal; fire resisting wood; fire-resistant glass for building; fire-resistant wood; firebricks; fireclay; fired bricks; fireplace bricks; fireplace mantels; fireplace mantles, not of metal; fireplace surrounds, not of metal; fireproof cement coatings; fireproof tiles; fitted covers for swimming pools, not of metal; fittings of plastic for non-metallic fence panelling; fittings of plastic for non-metallic railings; flagpole structures of concrete; flagstones; flashing in liquid form, to serve as an air and weather barrier in building applications; flashing of butyl for building; flashing of rubber for building; flashing, not of metal, for building; flexible polyethylene corrugated drain with smooth interiors for easy cleaning and quick water removal; floating docks, not of metal, for mooring boats; floor boards of plastic; floor boards of wood; floor panels of plastic; floor tiles of glass; floor tiles of natural stone; floor tiles of plastic; floor tiles of wood; floor tiles, not of metal; floor trusses, not of metal; floor-forming vinyl planks; flooring panels of fiberglass; flooring underlay made of cork; flooring underlayments; folding doors, not of metal; footing stone; furrings of wood; garage doors, not of metal; garapa wood panelling; garapa wood paving; garden ornaments made of concrete; garden ornaments made of marble; garden ornaments made of stone; garden ornaments of stone, marble and concrete; garden sheds, not of metal; gas storage tanks of masonry; gates of non-metal for car parking facilities; gazebos, not of metal; geosynthetic clay liners (gcls) for lining landfills; geotextile fabrics for use in civil engineering; geotextiles; glass bars for building; glass blocks for building; glass bricks; glass granules for marking out roads; glass granules for marking roads; glass granules for road marking; glass panels; glass panes; glass powder for use as a partial replacement for Portland cement in any concrete masonry; glass powder for use as a partial replacement of Portland cement in cement mixes; glass powder for use in building; glass powder for use in cement mixes; glass powder for use in patio stones and concrete landscape products; glass rods for building; glass roofing tiles; glass skylights; glass skylights; glass slabs for use in building; glass slabs for use in building; glass sliding doors; glass sliding doors; glass tiles; glass tiles; glass wall systems; glass wall systems; glazed ceramic tiles; glazed ceramic tiles; glue-laminated timber; glue-laminated timber; glue-laminated wood; glue-laminated wood; glue-laminated wood, veneer wood, wood boards, furrings of wood, anti-decay wood, ceiling boards of wood, roofing boards of wood, planks of wood for building, wood blocks, joists, building timber, structural timber, lumber, wood rim board; glue-laminated wood, veneer wood, wood boards, furrings of wood, anti-

decay wood, ceiling boards of wood, roofing boards of wood, planks of wood for building, wood blocks, joists, building timber, structural timber, lumber, wood rim board; granite; granite; granite columbariums; granite columbariums; granite funeral monuments; granite funeral monuments; granite mausoleums; granite mausoleums; grave markers of concrete; grave markers of concrete; grave markers of marble; grave markers of marble; grave markers of stone; grave markers of stone; grave markers of stone, concrete or marble; grave markers of stone, concrete or marble; grave slabs of stone; grave slabs of stone; grave slabs, not of metal; grave slabs, not of metal; gravel; gravel; gravestones; gravestones; greenhouse frames, not of metal; greenhouse frames, not of metal; greenhouses of textile; greenhouses of textile; greenhouses, not of metal; greenhouses, not of metal; greenhouses, transportable, not of metal; greenhouses, transportable, not of metal; grog being fired refractory material; grog being fired refractory material; grout; grout; grouting cartridges containing synthetic resins for rock bolt installation; grouting cartridges containing synthetic resins for rock bolt installation; grouting cartridges containing synthetic resins for use in building construction; grouting cartridges containing synthetic resins for use in building construction; grouting compounds; grouting compounds; grouting mortars containing synthetic resins for rock bolt installation; grouting mortars containing synthetic resins for rock bolt installation; grouting mortars containing synthetic resins for use in building construction; grouting mortars containing synthetic resins for use in building construction; grow tents; grow tents; guard rails, not of metal; guard rails, not of metal; gutter pipes, not of metal; gutter pipes, not of metal; gypsum; gypsum; gypsum boards; gypsum boards; gypsum ceiling tiles; gypsum ceiling tiles; gypsum floor tiles; gypsum floor tiles; gypsum plaster baseboards; gypsum plaster baseboards; gypsum roofing tiles; gypsum roofing tiles; gypsum tiles; gypsum tiles; gypsum wall tiles; gypsum wall tiles; gypsum wallboards; gypsum wallboards; halved timber; halved timber; handrails, not of metal; handrails, not of metal; handrails, not of metal, for stairs; handrails, not of metal, for stairs; handrails, not of metal, for swimming pools; handrails, not of metal, for swimming pools; handrails, not of metal, for walkways; handrails, not of metal, for walkways; hangars, not of metal; hangars, not of metal; hard plastic and pvc storage sheds; hard plastic and pvc storage sheds; hardboard; hardboard; hardwood boards; hardwood boards; hardwood decking; hardwood decking; hardwood flooring; hardwood flooring; hardwood flooring comprising self-locking edge components molded as part of the flooring; hardwood flooring comprising self-locking edge components molded as part of the flooring; hardwood flooring, laminate flooring, vinyl flooring; hardwood flooring, laminate flooring, vinyl flooring; hardwood lumber; hardwood lumber; hazardous material storage buildings of concrete; hazardous material storage buildings of concrete; heat insulating riser sleeves; heat insulating riser sleeves; hips for roofing; hips for roofing; hockey flooring; hockey flooring; hockey flooring tiles;

hockey flooring tiles; horse stall kick walls, not of metal; horse stall kick walls, not of metal; horse stalls not of metal; horse stalls not of metal; horticultural frames, not of metal; horticultural frames, not of metal; hume pipes; hume pipes; hydrated lime for use in building; hydrated lime for use in building; hydraulic cement; hydraulic cement; ice fishing houses not of metal; ice fishing houses not of metal; industrial concrete for use in civil engineering works; industrial concrete for use in civil engineering works; industrial water tanks of masonry; industrial water tanks of masonry; infrared-ray absorbing glass for building; infrared-ray absorbing glass for building; insect screens, not of metal; insect screens, not of metal; insulated glass; insulated glass; insulating glass for building; insulating glass for building; insulating glass for construction purposes; insulating glass for construction purposes; interior window shutters, not of metal; interior window shutters, not of metal; interlocking concrete blocks; interlocking concrete blocks; jalousies, not of metal; jalousies, not of metal; Japanese sliding screens of thin paper (shoji); Japanese sliding screens of thin paper (shoji); Japanese style indoor sliding partitions (fusuma); Japanese style indoor sliding partitions (fusuma); jointing cement; jointing cement; joists; joists; laminate flooring; laminate flooring; laminate flooring comprising self-locking edge components molded as part of the flooring; laminate flooring comprising self-locking edge components molded as part of the flooring; laminated flat glass for building; laminated flat glass for building; laminated wood; laminated wood; laths, not of metal; laths, not of metal; lawn edgings, not of metal; lawn edgings, not of metal; lengthening pieces, not of metal, for chimneys; lengthening pieces, not of metal, for chimneys; letter boxes of masonry; letter boxes of masonry; lime; lime; limestone; limestone; lintels, not of metal; lintels, not of metal; liparite; liparite; liquid barrier, namely, water resistive membrane for above-grade commercial exterior walls; liquid barrier, namely, water resistive membrane for above-grade commercial exterior walls; liquid storage tanks of masonry for industrial purposes; liquid storage tanks of masonry for industrial purposes; loading dock shelters, not of metal; loading dock shelters, not of metal; logs used as building material; logs used as building material; lumber; lumber; lumber milled to a specified dimension; lumber milled to a specified dimension; luminous glass for building; luminous glass for building; luminous paving blocks; luminous paving blocks; luminous paving blocks of brick; luminous paving blocks of brick; luxury vinyl floor tiles; luxury vinyl floor tiles; macadam; macadam; magnesia cement; magnesia cement; magnesium oxide based sheet board for building purposes; magnesium oxide based sheet board for building purposes; manhole covers, not of metal; manhole covers, not of metal; mantelpieces; mantelpieces; marble being building material; marble being building material; marble flooring; marble flooring; marble sculptures; marble sculptures; marble tile flooring; marble tile flooring; marble used as building material; marble used as building material; masonry panel; masonry panel; memorial

plaques of concrete; memorial plaques of concrete; memorial plaques of marble; memorial plaques of marble; memorial plaques of stone; memorial plaques of stone; memorial plaques, not of metal; memorial plaques, not of metal; mine timber; mine timber; mineral pellets for use in the building industry; mineral pellets for use in the building industry; miniature car models of concrete; miniature car models of concrete; miniature car models of marble; miniature car models of marble; miniature car models of stone; miniature car models of stone; mobile homes not of metal; mobile homes not of metal; model aeroplanes made of concrete; model aeroplanes made of concrete; model aeroplanes made of marble; model aeroplanes made of marble; model aeroplanes made of stone; model aeroplanes made of stone; model animals made of concrete; model animals made of concrete; model animals made of marble; model animals made of marble; model animals made of stone; model animals made of stone; model cars made of concrete; model cars made of concrete; model cars made of marble; model cars made of marble; model cars made of stone; model cars made of stone; model figures made of concrete; model figures made of concrete; model figures made of marble; model figures made of marble; model figures made of stone; model figures made of stone; model vehicles made of concrete; model vehicles made of concrete; model vehicles made of marble; model vehicles made of marble; model vehicles made of stone; model vehicles made of stone; modified sheet glass for building; modified sheet glass for building; modified window glass for building; modified window glass for building; modular animal houses, not of metal, for farmyard animals; modular animal houses, not of metal, for farmyard animals; modular chicken houses, not of metal; modular chicken houses, not of metal; modular classrooms not of metal; modular classrooms not of metal; modular dog houses for building sites, not of metal; modular dog houses for building sites, not of metal; modular housing made of plastic composites; modular housing made of plastic composites; modular log homes; modular log homes; modular plastic decking to serve as a ground cover; modular plastic decking to serve as a ground cover; modular silos, not of metal; modular silos, not of metal; mold-resistant drywall; mold-resistant drywall; moldable wood; moldable wood; moldings, not of metal, for cornices; moldings, not of metal, for cornices; monument stone; monument stone; mooring bollards, not of metal; mooring bollards, not of metal; mortar; mortar; mortar cartridges containing synthetic resins for rock bolt installation; mortar cartridges containing synthetic resins for rock bolt installation; mortar cartridges containing synthetic resins for use in building construction; mortar cartridges containing synthetic resins for use in building construction; mortar for building; mortar for building; mortar mix; mortar mix; mosaic art tiles made of marble; mosaic art tiles made of marble; mosaic floor tiles; mosaic floor tiles; mosaic wall tiles; mosaic wall tiles; mosaics for building; mosaics for building; mouldable wood; mouldable wood; mouldings, not of metal, for cornices; mouldings,

not of metal, for cornices; mounting frames, not of metal, for solar panels; mounting frames, not of metal, for solar panels; multi-layered wood; multi-layered wood; multilayer panels of plastic for use in building; multilayer panels of plastic for use in building; multilayer water conservation textiles designed for nurseries, greenhouses and garden centres; multilayer water conservation textiles designed for nurseries, greenhouses and garden centres; multilayered insulating glass units for glazing buildings; multilayered insulating glass units for glazing buildings; multilayered wood; multilayered wood; murals of stone, concrete or marble; murals of stone, concrete or marble; natural resin pavement for use in driveways; natural resin pavement for use in driveways; natural stone; natural stone; natural stone quarry blocks; natural stone quarry blocks; natural stone retaining wall blocks; natural stone retaining wall blocks; natural stone slabs; natural stone slabs; natural stone slabs and tiles; natural stone slabs and tiles; natural stone tiles; natural stone tiles; noise barriers made of wood; noise barriers made of wood; non-luminous and non-mechanical signs, not of metal, for use as social distancing markers; non-luminous and non-mechanical signs, not of metal, for use as social distancing markers; non-luminous concrete beacon towers; non-luminous concrete beacon towers; non-metal above-ground swimming pools; non-metal above-ground swimming pools; non-metal building construction materials namely, roof, façade, wall and floor coverings and their parts and fittings, namely, paving slabs; non-metal building construction materials namely, roof, façade, wall and floor coverings and their parts and fittings, namely, paving slabs; non-metal building construction materials namely, roof, façade, wall and floor coverings and their parts and fittings, namely, polycarbonate and bitumen corrugated sheets; non-metal building construction materials namely, roof, façade, wall and floor coverings and their parts and fittings, namely, polycarbonate and bitumen corrugated sheets; non-metal building construction materials namely, roof, façade, wall and floor coverings and their parts and fittings, namely, self-adhered and synthetic roofing underlayment; non-metal building construction materials namely, roof, façade, wall and floor coverings and their parts and fittings, namely, self-adhered and synthetic roofing underlayment; non-metal building construction materials namely, roof, façade, wall and floor coverings and their parts and fittings, namely, weatherboards; non-metal building construction materials namely, roof, façade, wall and floor coverings and their parts and fittings, namely, weatherboards; non-metal building materials, namely spacer stocks and frames made of plastic for spacing glass and metal sheets; non-metal building materials, namely spacer stocks and frames made of plastic for spacing glass and metal sheets; non-metal catch basins for attachment to sewer pipes to trap debris; non-metal catch basins for attachment to sewer pipes to trap debris; non-metal ceiling panels; non-metal ceiling panels; non-metal door casings; non-metal door casings; non-metal door frames; non-metal door frames; non-metal door panel; non-metal door panel; non-metal drain pipes;

non-metal drain pipes; non-metal duckboards; non-metal duckboards; non-metal expansion joints for floors and walls; non-metal expansion joints for floors and walls; non-metal floating docks; non-metal floating docks; non-metal floor tiles and planks comprising self-locking edge components molded as part of the flooring; non-metal floor tiles and planks comprising self-locking edge components molded as part of the flooring; non-metal in-ground swimming pools; non-metal in-ground swimming pools; non-metal modular floating docks; non-metal modular floating docks; non-metal plant cages; non-metal plant cages; non-metal podiums in the nature of prefabricated non-metal platforms; non-metal podiums in the nature of prefabricated non-metal platforms; non-metal portable piers which extend from a shore line out over water; non-metal portable piers which extend from a shore line out over water; non-metal rocket launching platforms; non-metal rocket launching platforms; non-metal roof vents for ventilation in residential and commercial buildings; non-metal roof vents for ventilation in residential and commercial buildings; non-metal roofing incorporating solar cells; non-metal roofing incorporating solar cells; non-metal roofing shingles; non-metal roofing shingles; non-metal safety caps for T-posts for fences; non-metal safety caps for T-posts for fences; non-metal semi-refractory bricks; non-metal semi-refractory bricks; non-metal shingles; non-metal shingles; non-metal stairs; non-metal stairs; non-metal stairs for use in swimming pools; non-metal stairs for use in swimming pools; non-metal storage sheds; non-metal storage sheds; non-metal storage shelters; non-metal storage shelters; non-metal storm shelters; non-metal storm shelters; non-metal tomato cages; non-metal tomato cages; non-metal vendor booths; non-metal vendor booths; non-metal window screens; non-metal window screens; non-metallic advertisement columns; non-metallic advertisement columns; non-metallic automatic bifolding doors; non-metallic automatic bifolding doors; non-metallic automatic sliding doors; non-metallic automatic sliding doors; non-metallic aviary assembly kits; non-metallic aviary assembly kits; non-metallic door and window screens; non-metallic door and window screens; non-metallic minerals for building; non-metallic minerals for building; non-metallic minerals for construction; non-metallic minerals for construction; non-metallic paving tiles and paving slabs; non-metallic paving tiles and paving slabs; non-metallic revolving doors; non-metallic revolving doors; non-metallic roof flashing; non-metallic roof flashing; non-woven textiles made of synthetic fibers for use in the building industry; non-woven textiles made of synthetic fibers for use in the building industry; non-woven textiles made of synthetic fibres for use in the building industry; non-woven textiles made of synthetic fibres for use in the building industry; nonstructural building materials, namely, granite used in decorative surface applications for countertops and vanity tops; nonstructural building materials, namely, granite used in decorative surface applications for countertops and vanity tops; nylon mesh insect screens; nylon mesh insect screens; nylon window screens; nylon window

screens; offshore drilling platforms made primarily of concrete; offshore drilling platforms made primarily of concrete; olivine for building; olivine for building; organic building glass; organic building glass; oriented strand board; oriented strand board; outdoor blinds of vinyl; outdoor blinds of vinyl; outdoor blinds, not of metal and not of textile; outdoor blinds, not of metal and not of textile; outdoor plastic blinds; outdoor plastic blinds; outdoor roll shutters, not of metal; outdoor roll shutters, not of metal; outdoor terrariums being planters made of artificial stone; outdoor terrariums being planters made of artificial stone; outdoor terrariums being planters made of concrete; outdoor terrariums being planters made of concrete; outdoor terrariums being planters made of glass fibre reinforced cement; outdoor terrariums being planters made of glass fibre reinforced cement; outdoor terrariums being planters made of marble; outdoor terrariums being planters made of marble; outdoor terrariums being planters made of stone; outdoor terrariums being planters made of stone; outdoor terrariums being planters made of wood; outdoor terrariums being planters made of wood; paint spraying booths of concrete; paint spraying booths of concrete; paint spraying booths, not of metal; paint spraying booths, not of metal; panels made of wood veneered with plastics for use in building; panels made of wood veneered with plastics for use in building; panels of precast concrete for buildings; panels of precast concrete for buildings; panels of thermoplastic composite for use in building; panels of thermoplastic composite for use in building; pantiles; pantiles; paper board for building; paper board for building; paperboard for building; paperboard for building; parking curbs, not of metal; parking curbs, not of metal; parquet floor boards; parquet floor boards; parquet flooring; parquet flooring; parquet flooring and parquet slabs; parquet flooring and parquet slabs; parquet flooring of cork; parquet flooring of cork; parquet flooring of wood; parquet flooring of wood; parquet flooring, parquet floor boards; parquet flooring, parquet floor boards; particle boards; particle boards; particleboard; particleboard; partly processed timber; partly processed timber; parts and fittings for vinyl windows; parts and fittings for vinyl windows; pavement marking tapes; pavement marking tapes; paving blocks, not of metal; paving blocks, not of metal; paving stone; paving stone; paving tiles; paving tiles; pegboard; pegboard; penstock pipes, not of metal; penstock pipes, not of metal; pergolas, not of metal; pergolas, not of metal; pet doors, not of metal; pet doors, not of metal; petroleum pitch; petroleum pitch; petuntse; petuntse; picket fences; picket fences; pigsties, not of metal; pigsties, not of metal; pilings of wood; pilings of wood; pilings, not of metal; pilings, not of metal; pine baseboards; pine baseboards; pipes of cement, earthenware and sandstone; pipes of cement, earthenware and sandstone; pitch; pitch; pitch and bitumen; pitch and bitumen; planks; planks; planks of wood for building; planks of wood for building; plant growing tents; plant growing tents; plaster; plaster; plaster boards; plaster boards; plaster for use in building; plaster for use in building; plaster used for building purposes;

plaster used for building purposes; plasterboard; plasterboard; plastic bathroom vents; plastic bathroom vents; plastic boundary marking posts; plastic boundary marking posts; plastic branching pipes; plastic branching pipes; plastic composite construction panels; plastic composite construction panels; plastic conduit for drainage; plastic conduit for drainage; plastic conduit for irrigation; plastic conduit for irrigation; plastic conduits for drainage; plastic conduits for drainage; plastic conduits for irrigation; plastic conduits for irrigation; plastic doors; plastic doors; plastic downspouts; plastic downspouts; plastic drywall corner beads; plastic drywall corner beads; plastic façade panels for construction purposes; plastic façade panels for construction purposes; plastic floor boards; plastic floor boards; plastic floor panels; plastic floor panels; plastic floorboards; plastic floorboards; plastic flooring; plastic flooring; plastic flooring tiles; plastic flooring tiles; plastic gutter pipe; plastic gutter pipe; plastic gutter pipes; plastic gutter pipes; plastic hardware, namely, plastic spacers used in the installation of flooring; plastic hardware, namely, plastic spacers used in the installation of flooring; plastic landscape edgings; plastic landscape edgings; plastic oil and debris trap for storm drainage; plastic oil and debris trap for storm drainage; plastic outdoor blinds; plastic outdoor blinds; plastic pipes for conveying natural gas; plastic pipes for conveying natural gas; plastic pipes for plumbing purposes; plastic pipes for plumbing purposes; plastic posts with reflective uv coated discs attached; plastic posts with reflective uv coated discs attached; plastic road studs for marking out roads; plastic road studs for marking out roads; plastic roof gutters; plastic roof gutters; plastic roof vents; plastic roof vents; plastic roofing panels; plastic roofing panels; plastic security windows allowing communication; plastic security windows allowing communication; plastic siding and structural parts therefore; plastic siding and structural parts therefore; plastic storm sewer pipes for construction; plastic storm sewer pipes for construction; plastic support pad for piers for manufactured home; plastic support pad for piers for manufactured home; plastic tiles; plastic tiles; plastic trellises; plastic trellises; plastic tubes for building; plastic tubes for building; plastic uncoupling membranes for use under tiles; plastic uncoupling membranes for use under tiles; plastic wainscotting; plastic wainscotting; plastic wallboards; plastic wallboards; plastic water conduits for balconies; plastic water conduits for balconies; plastic water conduits for roofs; plastic water conduits for roofs; plastic water conduits for terraces; plastic water conduits for terraces; plastic water pipes; plastic water pipes; plastic window frames; plastic window frames; plastic window shutters; plastic window shutters; plastic windows; plastic windows; play sand; play sand; playground padded decking; playground padded decking; playground tiles, not of metal; playground tiles, not of metal; plywood; plywood; plywood board; plywood board; plywood sheets; plywood sheets; poles, not of metal, for power lines; poles, not of metal, for power lines; poly vinyl chloride [PVC] window frames; poly vinyl chloride [PVC] window frames; polycarbonate skylights; polycarbonate

skylights; polyethylene board used as a wood substitute; polyethylene board used as a wood substitute; polyethylene boards used as wood substitutes; polyethylene boards used as wood substitutes; polyethylene concrete expansion joints; polyethylene concrete expansion joints; polyethylene pipes used in geothermal heating and cooling systems; polyethylene pipes used in geothermal heating and cooling systems; polymer composite manhole covers; polymer composite manhole covers; polymer concrete; polymer concrete; polymer manhole covers; polymer manhole covers; polymeric bitumen emulsion for waterproofing buildings; polymeric bitumen emulsion for waterproofing buildings; polymeric bitumen emulsions for road surfaces; polymeric bitumen emulsions for road surfaces; polymeric stone dust used in construction; polymeric stone dust used in construction; pool surrounds made of stone; pool surrounds made of stone; porcelain floor tiles; porcelain floor tiles; portable concrete storage sheds; portable concrete storage sheds; portable dance floors, not of metal; portable dance floors, not of metal; portable ice fishing houses not of metal; portable ice fishing houses not of metal; portable ice fishing shelters not of metal; portable ice fishing shelters not of metal; portable ice shanties not of metal; portable ice shanties not of metal; portable levees, not of metal; portable levees, not of metal; portable non-metal free-standing safety barriers; portable non-metal free-standing safety barriers; portable non-metal risers for public performances; portable non-metal risers for public performances; portable plastic levees; portable plastic levees; portable stages, not of metal; portable stages, not of metal; portable trade show display booth made primarily not of metal; portable trade show display booth made primarily not of metal; portable traffic barriers, not of metal; portable traffic barriers, not of metal; portland blast-furnace slag cement; portland blast-furnace slag cement; Portland cement; Portland cement; posts, not of metal, for power lines; posts, not of metal, for power lines; potters' clay; potters' clay; pottery clay; pottery clay; pozzolanic cement; pozzolanic cement; pre-fabricated houses not of metal; pre-fabricated houses not of metal; pre-fabricated houses not of metal for farm animals; pre-fabricated houses not of metal for farm animals; pre-fabricated houses not of metal for pets; pre-fabricated houses not of metal for pets; pre-fabricated non-metal stables; pre-fabricated non-metal stables; pre-fabricated silos not of metal; pre-fabricated silos not of metal; precast concrete interlocking blocks for use in retaining walls; precast concrete interlocking blocks for use in retaining walls; prefabricated garages of wood, plastic, vinyl; prefabricated garages of wood, plastic, vinyl; prefabricated garages, not of metal; prefabricated garages, not of metal; prefabricated garden sheds of wood, plastic, vinyl; prefabricated garden sheds of wood, plastic, vinyl; prefabricated hangars not of metal; prefabricated hangars not of metal; prefabricated houses [kits], not of metal; prefabricated houses [kits], not of metal; prefabricated houses that primarily are non-metal; prefabricated houses that primarily are non-metal; prefabricated non-metal

bridges; prefabricated non-metal bridges; prefabricated sheds of wood, plastic, vinyl; prefabricated sheds of wood, plastic, vinyl; prefabricated warehouses not of metal; prefabricated warehouses not of metal; preformed thermoplastic sheets for use as pavement markings; preformed thermoplastic sheets for use as pavement markings; preserved wood; preserved wood; pressure treated preserved wood products; pressure treated preserved wood products; pressure-treated wood columns; pressure-treated wood columns; protective shutters for swimming pools; protective shutters for swimming pools; pumice for use in the construction industry; pumice for use in the construction industry; pumice stone slag; pumice stone slag; pvc conduit pipes for building; pvc conduit pipes for building; PVC drains for construction of basement waterproofing systems; PVC drains for construction of basement waterproofing systems; pvc gutter pipes; pvc gutter pipes; PVC outdoor blinds; PVC outdoor blinds; PVC porches for buildings; PVC porches for buildings; PVC railings; PVC railings; PVC rigid pipes for construction purposes; PVC rigid pipes for construction purposes; PVC roof flashing; PVC roof flashing; pvc roofing membrane; pvc roofing membrane; PVC sewer pipes; PVC sewer pipes; pvc water pipes; pvc water pipes; quartz; quartz; quartz composite panels for kitchen countertops, bathroom vanities, wall paneling, and flooring; quartz composite panels for kitchen countertops, bathroom vanities, wall paneling, and flooring; quartz countertops; quartz countertops; quartz flooring; quartz flooring; quartz tiles and slabs; quartz tiles and slabs; railings, not of metal; railings, not of metal; railings, not of metal, for balconies; railings, not of metal, for balconies; railings, not of metal, for bridges; railings, not of metal, for bridges; railings, not of metal, for fences; railings, not of metal, for fences; railroad ties, not of metal; railroad ties, not of metal; railway sleepers, not of metal; railway sleepers, not of metal; rain gutters, not of metal; rain gutters, not of metal; rain shelters, not of metal; rain shelters, not of metal; rainscreen, namely, a drainage mat for exterior wall systems; rainscreen, namely, a drainage mat for exterior wall systems; rainwater reservoirs of masonry; rainwater reservoirs of masonry; rainwater tanks of masonry; rainwater tanks of masonry; raw chalk; raw chalk; ready-to-use concrete; ready-to-use concrete; recording booths, not of metal, transportable; recording booths, not of metal, transportable; reeds for building; reeds for building; refractory aggregates; refractory aggregates; refractory blocks, not of metal; refractory blocks, not of metal; refractory bricks; refractory bricks; refractory bricks, not of metal; refractory bricks, not of metal; refractory castable mixes; refractory castable mixes; refractory castable mixes, not of metal; refractory castable mixes, not of metal; refractory cement; refractory cement; refractory clay; refractory clay; refractory concrete; refractory concrete; refractory furnace linings, not of metal; refractory furnace linings, not of metal; refractory masses, not of metal, for the manufacture of fire-proof linings; refractory masses, not of metal, for the manufacture of fire-proof linings; refractory mortars;

refractory mortars; refractory roof tiles; refractory roof tiles; refractory sand; refractory sand; reinforced glass for building; reinforced glass for building; resin composite plywood; resin composite plywood; retaining walls formed from interlocking concrete blocks; retaining walls formed from interlocking concrete blocks; rigid pipes of polyethylene for building; rigid pipes of polyethylene for building; rigid pipes of polypropylene for building; rigid pipes of polypropylene for building; rigid plastic pipes for conveying gas; rigid plastic pipes for conveying gas; rigid plastic pipes for conveying oil; rigid plastic pipes for conveying oil; rigid plastic pipes for conveying storm water; rigid plastic pipes for conveying storm water; rigid plastic pipes for conveying water; rigid plastic pipes for conveying water; rigid plastic pipes for liquid and gas transfer for the oil and gas industry; rigid plastic pipes for liquid and gas transfer for the oil and gas industry; rigid safety covers for swimming pools; rigid safety covers for swimming pools; rigid underdrainage pipes, not of metal; rigid underdrainage pipes, not of metal; road asphalt; road asphalt; road marking sheets and strips of synthetic material; road marking sheets and strips of synthetic material; road signs, non-luminous and non-mechanical, not of metal; road signs, non-luminous and non-mechanical, not of metal; rock crystal for use as building materials; rock crystal for use as building materials; roller doors, not of metal; roller doors, not of metal; roof coatings; roof coatings; roof coverings, not of metal; roof coverings, not of metal; roof gutters, not of metal; roof gutters, not of metal; roof trusses, not of metal; roof trusses, not of metal; roof vents of plastic; roof vents of plastic; roofing boards of wood; roofing boards of wood; roofing cements; roofing cements; roofing fabrics; roofing fabrics; roofing felt; roofing felt; roofing membranes; roofing membranes; roofing panels, not of metal; roofing panels, not of metal; roofing paper; roofing paper; roofing shingles; roofing shingles; roofing slates; roofing slates; roofing tiles; roofing tiles; roofing tiles of glass; roofing tiles of glass; roofing tiles of natural stone; roofing tiles of natural stone; roofing tiles of plastic; roofing tiles of plastic; roofing tiles, not of metal; roofing tiles, not of metal; roofing underlay; roofing underlay; roofing, not of metal, incorporating photovoltaic cells; roofing, not of metal, incorporating photovoltaic cells; rough sawn timber; rough sawn timber; rubber baseboards; rubber baseboards; rubber bearings for seismic isolation of buildings; rubber bearings for seismic isolation of buildings; rubber cove bases; rubber cove bases; rubber floor tiles; rubber floor tiles; rubber flooring; rubber flooring; rubber flooring transition and edge strips; rubber flooring transition and edge strips; rubber stairway warning tiles; rubber stairway warning tiles; rubble; rubble; rumble strips, not of metal; rumble strips, not of metal; safety doors, not of metal; safety doors, not of metal; safety glass; safety glass; safety polyethylene barricades; safety polyethylene barricades; sand; sand; sandbags; sandbags; sandstone; sandstone; sandstone for building; sandstone for building; sandstone pipes; sandstone pipes; sandstone tubes; sandstone tubes; sash windows, not of metal; sash

windows, not of metal; sawn timber; sawn timber; scaffolding of wood; scaffolding of wood; scaffolding towers, not of metal; scaffolding towers, not of metal; scantlings; scantlings; schists; schists; school portable classrooms primarily not of metal; school portable classrooms primarily not of metal; screen doors, not of metal; screen doors, not of metal; screw-on stone siding for the construction and renovation of exterior and interior walls; screw-on stone siding for the construction and renovation of exterior and interior walls; screw-on stone siding with a water drainage system for use in exterior construction and renovation; screw-on stone siding with a water drainage system for use in exterior construction and renovation; sculptures made of chalk; sculptures made of chalk; sealants for driveways; sealants for driveways; sealed insulating glass units for building; sealed insulating glass units for building; secondary moisture drainage systems consisting of non-metal troughs and collection boxes; secondary moisture drainage systems consisting of non-metal troughs and collection boxes; security barriers, not of metal; security barriers, not of metal; security gates, not of metal; security gates, not of metal; semi-worked wood; semi-worked wood; serpentine building materials; serpentine building materials; serpentine for use as building materials; serpentine for use as building materials; sewer pipes of concrete; sewer pipes of concrete; shaped timber; shaped timber; sheet piles, not of metal; sheet piles, not of metal; shingles; shingles; shrinkage-compensating concrete; shrinkage-compensating concrete; shuttering, not of metal, for concrete; shuttering, not of metal, for concrete; shutters, not of metal; shutters, not of metal; signalling panels, non-luminous and non-mechanical, not of metal; signalling panels, non-luminous and non-mechanical, not of metal; silica cement; silica cement; silica sand; silica sand; silica stone; silica stone; sills, not of metal; sills, not of metal; silos, not of metal; silos, not of metal; silver sand; silver sand; skating rinks, not of metal; skating rinks, not of metal; skylights, not of metal; skylights, not of metal; slag stone; slag stone; slag-lime cement; slag-lime cement; slate; slate; slate powder; slate powder; slate roofing tiles; slate roofing tiles; slate slabs; slate slabs; slates for roof cladding; slates for roof cladding; slates for wall cladding; slates for wall cladding; sliding doors, not of metal; sliding doors, not of metal; smart glass for building; smart glass for building; soffits, not of metal; soffits, not of metal; softwood boards; softwood boards; softwood decking boards; softwood decking boards; soil retaining grids made from polyester yarns; soil retaining grids made from polyester yarns; solid phenolic to be affixed to the surface of furniture; solid phenolic to be affixed to the surface of furniture; soundproof booths, not of metal; soundproof booths, not of metal; soundproof booths, transportable, not of metal; soundproof booths, transportable, not of metal; spackling compounds; spackling compounds; spackling paste; spackling paste; spandrels, not of metal; spandrels, not of metal; speed bumps, not of metal; speed bumps, not of metal; spike barriers, not of metal, for roads; spike barriers, not of metal, for roads; split timber; split timber;

sports floors of wood; sports floors of wood; sports surfaces, namely, running tracks and playing fields made of polyurethane; sports surfaces, namely, running tracks and playing fields made of polyurethane; stables, not of metal; stables, not of metal; stackable refuse containers of concrete; stackable refuse containers of concrete; stages, not of metal, for musical performances; stages, not of metal, for musical performances; stained glass windows; stained glass windows; stained-glass windows; stained-glass windows; stair edgings of plastic; stair edgings of plastic; stair edgings of rubber; stair edgings of rubber; stair edgings of thermoplastic elastomer; stair edgings of thermoplastic elastomer; stair edgings, not of metal; stair edgings, not of metal; stair-treads, not of metal; stair-treads, not of metal; statues in stone, concrete and marble; statues in stone, concrete and marble; statues of concrete; statues of concrete; statues of marble; statues of marble; statues of stone; statues of stone; statuettes in stone, concrete and marble; statuettes in stone, concrete and marble; statuettes of concrete; statuettes of concrete; statuettes of marble; statuettes of marble; statuettes of stone; statuettes of stone; stave wood; stave wood; stepping and footing stones of concrete or wood for use in lawns and pathways; stepping and footing stones of concrete or wood for use in lawns and pathways; stone and cement cladding trim system; stone and cement cladding trim system; stone cladding; stone cladding; stone composite panels for kitchen countertops, bathroom vanities, wall paneling, and flooring; stone composite panels for kitchen countertops, bathroom vanities, wall paneling, and flooring; stone for building and construction; stone for building and construction; stone for carving mantels, columns and banisters; stone for carving mantels, columns and banisters; stone lantern garden ornaments; stone lantern garden ornaments; stone mooring bollards; stone mooring bollards; stone paving blocks; stone paving blocks; stone paving tiles; stone paving tiles; stone polymer composite (SPC) floor tiles; stone polymer composite (SPC) floor tiles; stone polymer composite (SPC) flooring; stone polymer composite (SPC) flooring; stone roofing tiles; stone roofing tiles; stone sculptures; stone sculptures; stone slabs; stone slabs; stone slates; stone slates; stone veneer building material; stone veneer building material; stone veneer siding; stone veneer siding; stone wool sheathing board; stone wool sheathing board; storage tanks of masonry; storage tanks of masonry; storage warehouses not of metal; storage warehouses not of metal; storm manholes; storm manholes; street furniture being bollards, not of metal; street furniture being bollards, not of metal; street furniture being bus shelters, not of metal; street furniture being bus shelters, not of metal; street furniture being non-metallic tubs for plants, shrubs, and trees; street furniture being non-metallic tubs for plants, shrubs, and trees; street furniture being outdoor gymnastic equipment, fixed, not of metal; street furniture being outdoor gymnastic equipment, fixed, not of metal; street furniture being planter boxes, fixed, not of metal; street furniture being planter boxes, fixed, not of metal; street furniture being street name

signs, not of metal; street furniture being street name signs, not of metal; street gutters, not of metal; street gutters, not of metal; stringers, not of metal; stringers, not of metal; structural monuments of concrete; structural monuments of concrete; structural monuments of marble; structural monuments of marble; structural monuments of stone; structural monuments of stone; structural timber; structural timber; stucco in the nature of decorative concrete overlays; stucco in the nature of decorative concrete overlays; stucco tiles; stucco tiles; subfloor panels, not of metal; subfloor panels, not of metal; sulfur polymer cement; sulfur polymer cement; swimming pool bumpers; swimming pool bumpers; swimming pools, not of metal; swimming pools, not of metal; swing doors, not of metal; swing doors, not of metal; synthetic concrete; synthetic concrete; synthetic rocks for creating landscape and waterscape settings; synthetic rocks for creating landscape and waterscape settings; table centrepieces made of concrete; table centrepieces made of concrete; table centrepieces made of marble; table centrepieces made of marble; table centrepieces made of stone; table centrepieces made of stone; tar; tar; tar and pitch; tar and pitch; tar-based patching compounds; tar-based patching compounds; tar-based sealants for asphalt; tar-based sealants for asphalt; tar-based sealants for driveways; tar-based sealants for driveways; tar-based sealants for roofing; tar-based sealants for roofing; telegraph posts, not of metal; telegraph posts, not of metal; telephone booths, not of metal; telephone booths, not of metal; telephone boxes, not of metal; telephone boxes, not of metal; tempered glass for building; tempered glass for building; tempered, wire plated, luminous glass for buildings; tempered, wire plated, luminous glass for buildings; terra cotta; terra cotta; terra cotta for building purposes; terra cotta for building purposes; terra cotta for use as building material; terra cotta for use as building material; terra cotta pipes and conduits; terra cotta pipes and conduits; terracotta floor tiles; terracotta floor tiles; terracotta floor tiles; terracotta floor tiles; textiles for roofing; textiles for roofing; thermal insulating glass for use in building; thermal insulating glass for use in building; thermal lacquered TFL (Thermally Fused Laminate) decorative panels; thermal lacquered TFL (Thermally Fused Laminate) decorative panels; thermoplastic boundary markers for use in pavement marking; thermoplastic boundary markers for use in pavement marking; thermoplastic fence; thermoplastic fence; thermoplastic polyester sheets for building; thermoplastic polyester sheets for building; thermoplastic polyolefin (TPO) single ply roofing membrane used for commercial roofing; thermoplastic polyolefin (TPO) single ply roofing membrane used for commercial roofing; tile floorings, not of metal; tile floorings, not of metal; tile murals, not of metal; tile murals, not of metal; tiles of ceramic for ceilings; tiles of ceramic for ceilings; tiles of ceramic for floors; tiles of ceramic for floors; timber; timber; timber boarding; timber boarding; timber mouldings; timber mouldings; tomb slabs, not of metal; tomb slabs, not of metal; tombs, not of metal; tombs, not of metal; tombstone monuments; tombstone

monuments; tombstone plaques of marble; tombstone plaques of marble; tombstone plaques, not of metal; tombstone plaques, not of metal; tombstone stelae, not of metal; tombstone stelae, not of metal; tombstones; tombstones; tombstones of stone, concrete and marble; tombstones of stone, concrete and marble; transportable buildings, namely barns made of wood; transportable buildings, namely barns made of wood; transportable buildings, namely cabins made of plastic; transportable buildings, namely cabins made of plastic; transportable buildings, namely cabins made of wood; transportable buildings, namely cabins made of wood; transportable buildings, namely garden sheds made of plastic; transportable buildings, namely garden sheds made of plastic; transportable buildings, namely sheds made of wood; transportable buildings, namely sheds made of wood; transportable car shelter not made of metal; transportable car shelter not made of metal; transportable greenhouses of plastic for household use; transportable greenhouses of plastic for household use; transportable non-metal shelters for use in providing emergency temporary housing; transportable non-metal shelters for use in providing emergency temporary housing; transportable precast concrete buildings, namely cabins; transportable precast concrete buildings, namely cabins; transportable storage shelter primarily made of thermoplastic; transportable storage shelter primarily made of thermoplastic; travertine for building and construction purposes; travertine for building and construction purposes; trellises, not of metal; trellises, not of metal; trestles for use in construction; trestles for use in construction; trophies of concrete; trophies of concrete; trophies of marble; trophies of marble; trophies of stone; trophies of stone; tufa; tufa; tuff for use as building materials; tuff for use as building materials; turnstiles not of metal; turnstiles not of metal; underclay for refractory use; underclay for refractory use; underground tornado shelters made of fiberglass; underground tornado shelters made of fiberglass; underlays of agglomerated cork for building; underlays of agglomerated cork for building; unfired bricks; unfired bricks; veneer stone; veneer stone; veneer wood; veneer wood; veneered chipboards; veneered chipboards; vent covers, not of metal; vent covers, not of metal; vinyl baseboards; vinyl baseboards; vinyl brackets for gutters; vinyl brackets for gutters; vinyl doors; vinyl doors; vinyl floor panels; vinyl floor panels; vinyl floor tiles; vinyl floor tiles; vinyl flooring; vinyl flooring; vinyl flooring comprising self-locking edge components molded as part of the flooring; vinyl flooring comprising self-locking edge components molded as part of the flooring; vinyl flooring, vinyl floor tiles and luxury vinyl floor tiles containing a stone polymer composite (SPC) core; vinyl flooring, vinyl floor tiles and luxury vinyl floor tiles containing a stone polymer composite (SPC) core; vinyl garden sheds; vinyl garden sheds; vinyl gutter guards; vinyl gutter guards; vinyl patio doors; vinyl patio doors; vinyl plank flooring; vinyl plank flooring; vinyl siding; vinyl siding; vinyl sliding doors; vinyl sliding doors; vinyl tile flooring; vinyl tile flooring; vinyl window frames; vinyl

window frames; vinyl window screens; vinyl window screens; vinyl window shutters; vinyl window shutters; vinyl window sills; vinyl window sills; vinyl windows; vinyl windows; volcanic ash; volcanic ash; wainscoting; wainscoting; wall claddings, not of metal, for building; wall claddings, not of metal, for building; wall panels of plastic for wall storage solutions; wall panels of plastic for wall storage solutions; wall panels, not of metal; wall panels, not of metal; wall stone; wall stone; wall tiles of glass; wall tiles of glass; wall tiles of natural stone; wall tiles of natural stone; wall tiles of plastic; wall tiles of plastic; wallboards; wallboards; wallboards of plastic; wallboards of plastic; warehouses, not of metal; warehouses, not of metal; water tanks of masonry; water tanks of masonry; water tanks of masonry for household purposes; water tanks of masonry for household purposes; water-pipe valves, not of metal or plastic; water-pipe valves, not of metal or plastic; water-pipes, not of metal; water-pipes, not of metal; waterproof laminate flooring; waterproof laminate flooring; waterproof membranes of bitumen; waterproof membranes of bitumen for walls; waterproof membranes of bitumen for walls; waterproof membranes of rubberized asphalt; waterproof membranes of rubberized asphalt; waterproof vinyl flooring; waterproof vinyl flooring; weatherboards, not of metal; weatherboards, not of metal; window frames of wood clad in aluminium; window frames of wood clad in aluminium; window frames, not of metal; window frames, not of metal; window frames, sashes and casements made of wood; window frames, sashes and casements made of wood; window glass; window glass; window glass for building; window glass for building; window jambs, not of metal; window jambs, not of metal; window panes for buildings; window panes for buildings; window screens, not of metal; window screens, not of metal; window sills, not of metal; window sills, not of metal; window surrounds, not of metal; window surrounds, not of metal; windows, not of metal; windows, not of metal; windows, not of metal, for gazebos and tents; windows, not of metal, for gazebos and tents; wine storage rooms not of metal; wine storage rooms not of metal; wired plate glass for building; wired plate glass for building; wood battens; wood battens; wood beams; wood beams; wood blocks; wood blocks; wood boards; wood boards; wood ceiling tiles; wood ceiling tiles; wood doors; wood doors; wood floor underlayment; wood floor underlayment; wood flooring; wood flooring; wood for making household utensils; wood for making household utensils; wood garden sheds; wood garden sheds; wood joints; wood joints; wood moldings; wood moldings; wood panelling; wood panelling; wood panels; wood panels; wood paving; wood paving; wood porches for buildings; wood porches for buildings; wood posts; wood posts; wood pulp board for building; wood pulp board for building; wood rafters; wood rafters; wood roofing shingles; wood roofing shingles; wood sheeting; wood sheeting; wood shingles; wood shingles; wood siding; wood siding; wood sports floors; wood sports floors; wood tar; wood tar; wood trim; wood trim; wood turning blanks; wood turning blanks; wood veneers; wood veneers; wood window shutters;

wood window shutters; wood windows; wood windows; wood-fiber reinforced cement boards; wood-fiber reinforced cement boards; wood-plastic composite garden sheds; wood-plastic composite garden sheds; wooden arbours; wooden arbours; wooden casement windows; wooden casement windows; wooden cornices; wooden cornices; wooden door frames; wooden door frames; wooden doors; wooden doors; wooden fencing in the nature of a noise barrier; wooden fencing in the nature of a noise barrier; wooden floor boards; wooden floor boards; wooden flooring; wooden flooring; wooden folding doors; wooden folding doors; wooden mooring bollards; wooden mooring bollards; wooden partitions for building; wooden partitions for building; wooden pipes for building; wooden pipes for building; wooden poles for electric power lines; wooden poles for electric power lines; wooden poles for power lines; wooden poles for power lines; wooden posts for electric power lines; wooden posts for electric power lines; wooden railings; wooden railings; wooden staircases; wooden staircases; wooden structural beams; wooden structural beams; wooden tiles; wooden tiles; wooden trellises; wooden trellises; wooden veneers; wooden veneers; wooden wainscoting; wooden wainscoting; wooden window frames; wooden window frames; wooden window shutters; wooden window shutters; wooden window sills; wooden window sills; woodturning blanks; woodturning blanks; woodworking blanks; woodworking blanks; works of art of stone, concrete or marble; works of art of stone, concrete or marble; xylolith; xylolith
