CHOOSE FIDO

Easy set up - no technician needed!

Just use your smartphone, tablet, or laptop to set up and test your home Wi-Fi network. **There's no need to buy a separate router** when your internet package comes with the Fido Wi-Fi Modem for fast and secure Wi-Fi.

Speed perfect for smooth streaming

Fido Internet offers **download speeds up to 75 Mbps²** for all your devices online at the same time.

All-in-one affordable price

Our advertised pricing **includes powerful Wi-Fi modem rental** so you don't have to find and buy another device for Wi-Fi—with **TekSavvy** the modem and activation charges can add up to \$219.90 in upfront costs and **requires technician install.**³

Lots of usage

Fido Internet 75 comes with both speed for smooth streaming plus your choice of 200GB (about 65 HD movies)⁴, or Unlimited usage for freedom and peace of mind against overage fees.
