

To Whom It May Concern:

My name is Aileen Graley. I recently filed a Consumer Proposal with the assistance of 4 Pillars Consulting Group.

Their understanding and knowledge of this procedure was incredibly helpful and I could not have done this without them.

The follow-up counselling sessions provided by 4 Pillars, once my Consumer Proposal was accepted and filed, were invaluable. Their guidance and advice with respect to keeping me within a budget has been extremely useful and, as a consequence, I feel confident that I am managing my affairs within my means. The fact that I had these follow-up sessions with the same company that initially assisted me with the filing, made it a great deal easier than dealing with someone new. I feel educated by 4 Pillars in the matter of money management.

I was so very pleased that this follow-up service was provided and feel that it is an integral part to staying on track. My gratitude and thanks go to all the staff at 4 Pillars Consulting Group.

Sincerely,

Aileen D. Graley
