Mr. Shugart,

**Subject: Petition to the Governor in Council concerning Requests to review and vary Telecom Order 2019-288 regarding final rates for aggregated whole high-speed access services, Telecom Decision CRTC 2021-181**

Pursuant to Subsection 12(1) of the Telecommunications Act, National Capital FreeNet ("NCF") hereby submits a petition to rescind Telecom Decision CRTC 2021-181 and restore Telecom Order CRTC 2019-288 through an Order in Council.

We believe the 2021 Rates Decision contravenes the 2019 Policy Direction in terms of promoting competition, affordability, consumer interests and innovation. We further believe this decision will make the Internet less affordable for all Canadians, particularly those living on low incomes.

Thank you,  
Shelley Robinson
