***Re: Consultation on the Technical and Policy Framework for the 3650-4200 MHz Band and Changes to the Frequency Allocation of the 3500-3650 Band (SLPB-002-20 - Canada Gazette, Part I, (Volume 154, Number 37 – September 12, 2020.)***

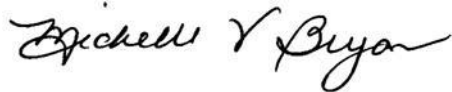

Dear Sirs/Mesdames:

Intelsat US LLC (“Intelsat”) is pleased to provide these reply comments in response to the above-captioned consultation (“Consultation”) on the subject of the repurposing of the C-band for 5G.

As detailed in our October 26, 2020 comments, Intelsat provides important FSS services to Canadians and the repurposing of this band in Canada and ancillary issues raised in the Consultation will have a direct impact Intelsat, our customers and our stakeholders.

Intelsat appreciates ISED’s continued consideration of its perspective on the important issues raised in the Consultation.

Sincerely,

Michelle V. Bryan  
Executive Vice President, General Counsel &  
Chief Administrative Officer
