Dear Sir/Madam:

Re: *Canada Gazette, Part I, Vol. 160, No. 3, January 17, 2026, Notice No. SMSE-016-25 – Consultation on a Policy, Licensing and Technical Framework for Remotely Piloted Aircraft Systems (RPAS) in the 5030-5091 MHz Band and Certain Bands Used to Provide Commercial Mobile Services – Eastlink’s comments*

Bragg Communications Inc., carrying on business as Eastlink (“Eastlink”), has reviewed Innovation, Science and Economic Development Canada (ISED)’s proposed framework outlined in Canada Gazette Notice SMSE-016-25 – *Consultation on a Policy, Licensing and Technical Framework for Remotely Piloted Aircraft Systems (RPAS) in the 5030-5091 MHz Band and Certain Bands Used to Provide Commercial Mobile Services*.

Eastlink submits that although we have no specific comments on the questions set out in the consultation at this time, we are filing this letter to preserve our right to respond to any submissions, or positions, advanced by other intervenors.

Sincerely,

A handwritten signature in blue ink that reads "Marielle Wilson". The signature is written in a cursive, flowing style.

Marielle Wilson
Vice President, Regulatory & Government Affairs
